VOLUME 100—NUMBER 4

NEWARK, OHIO, WEDNESDAY EVENING, MARCH 24, 1920

LEGION LAYS NEW
PLAN FOR BONUS
BEFORE CONGRESSWould Sell Veterans Land,
Crediting \$1.50 Day
For Service.SUGGESTS \$2 DAY FOR MEN
WHO WANT TO BUY HOMESGives Service Men Ten
Years In Which to File
Claims For Bonus.

Washington, March 24.—Representatives of the American Legion had ready today for presentation to the house ways and means committee a new plan for soldier relief, embracing provisions for land settlement, home building aid, vocational training and payment of adjusted compensation.

The proposal is a substitute for the original bill explained to the committee earlier this month by Commander Franklin D'Olier and Thomas W. Miller, chairman of the legislative committee. The four-fold plan, carrying new rates of compensation was approved last night at a meeting of the executive committee.

Under the bill, land projects in all states would be available to former service men, and credit at the rate of \$1.50 for every day of service, together with a loan at the rate of 4-1/2 per cent interest would be authorized.

Compensation at \$2 a day would be paid those who desire to acquire homes in city or country sections.

Vocational training would be extended for a time equivalent to service in the arm or navy, and compensation at \$1.50 a day would be paid. Adjusted compensation for those who do not desire to participate in land projects, home building aid or vocational training would be paid at \$1.50 for each day of service, to be available within a year from the passage of the bill by congress. Former service men would have ten years in which to file application exercising one of the four options.

Failure of the government to aid former service men has resulted in the Industrial Workers of the World making a drive to get such men into that organization, home ways and means committee was told today by J. E. Holden, state adjutant of the American Legion in Utah.

Organized propaganda by the I. W. W. to discredit the government and undermine the American Legion is spreading throughout the country, he said, and many "unintelligent" former soldiers are being gathered into their organization as the result of propaganda stating that the government has done nothing for former soldiers.

J. G. Schrugham, a member of the legion's executive committee, told the senate there was much discontent among both former service men and women and that immediate relief was necessary.

"They feel they haven't got a square deal and are chafing with unrest," Mr. Schrugham said, in urging passage of a composite bill drawn by the legion and providing privileged land settlement as suggested in the House of Representatives bill; home building aid, vocational training and payment of adjusted compensation at the rate of \$1.50 for every day of service.

Representative Garner, Democrat of Texas, stated that he would like to fund to carry out the legion's plans were to be raised.

The witness said he would leave that to the committee, but he estimated that the total cost at approximately \$2,160,000,000.

U. S. BELIEVES
TURKS SHOULD
BE KICKED OUTNew Secretary of State
Sends First Note to Allied
Supreme Council on Near
East Situation.

Washington, March 24.—The original position of the American government that the Turks should be expelled from Europe is restated in a note to the allied supreme council which has been prepared at the state department and which will be transmitted soon. The note will bear the signature of Bainbridge Colby, the new secretary of state and will be the first diplomatic paper to be signed by him.

The communication is in reply to an inquiry from the French and British governments as to this country's views on the Turkish settlement.

The position of the American government is understood to be that there is no sound reason for retaining the Turkish empire in its present form. The United States is said to take the view that the contention that expulsion of the Turks might be resented by the Mohammedans, is not supported by the facts since the war for the near east was won largely by the aid of Mohammedans.

The United States, it is understood, desires that Armenia be set up as an independent state and that it embrace as much territory as the Armenian government can control. It also takes the position that any arrangement that is made with regard to Turkey should guarantee to all nations equal opportunities for commerce and that no belligerent should be given paramount claims in any part of the near east.

The position of the United States, it is said, also is that in any arrangement for the government of Constantinople and the Turkish states a place for the participation of Russia should be made as the American government is convinced that Russia alone cannot be successful in the long run which does not take into account the interests of Russia in the matter.

PRINCE-HUSBAND OF THIS U. S. WOMAN
IS WELCOME; BRINGS FAMILY FOR VISIT

Princess Alfred zu Hohenlohe-Schillingfuerst and two children.

Princess Alfred zu Hohenlohe-Schillingfuerst, formerly Miss Catherine Britton, an American girl, was more fortunate than many other prominent American girls who married titled Austrians and Germans prior to the war. The prince is an Austrian, but his estates are in Galicia, now a part of Poland, so his status in this country is that of an ally. He had no trouble, therefore, in bringing the princess and their two children to Washington for a visit with the princess' parents.

DELAWARE'S VOTE
ON SUFFRAGE IS
STILL IN DOUBTAction May Not Be Taken
Before Friday—Govern-
or Believes Women Will
Be Victors.

Dover, Delaware, March 24.—Whether Delaware would be the 36th state to ratify the woman suffrage constitutional amendment still was in doubt today, when the legislature convened for the third day of its extraordinary session.

No vote in either body of the legislature was in prospect before next Friday and the struggle for votes between the advocates and opponents of suffrage continues unabated today with both still claiming victory. Governor Townsend said he was sure the resolution ratifying the amendment would be "an over." Introduction of the resolution was the only official event scheduled today.

Senator Walter of Wilmington was to offer it for reference to the committee on revised statutes, headed by Senator Short, regarded as an opponent of suffrage. Republican leaders planned to have the senate act first because of the smaller margin of opposition in the upper house.

The contest for votes will come open before a joint session of the legislature on Thursday, which has been set aside for public hearings. Suffrage advocates will be heard Thursday morning and opponents at a later session. United States Senators Spencer, Republican, Missouri, and McKellar, Tennessee, Democrat, have been invited by the national woman's party to be the principal speakers for suffrage.

A vote on the ratification resolution was to be deferred until after the hearing. Republican leaders said today that while a vote on suffrage might be reached next Friday, there was prospect of postponement until next week. Delay is regarded by the suffragists as helpful to their cause.

153,830 PEOPLE
LIVE IN DAYTONCensus of 1920 Shows City
Has Increased 37,253 In
10 Years; Warren Shows
Big Increase.

Washington, March 24.—Population statistics for 1920 announced today by the census bureau included:

Dayton, O., 153,830, an increase of 37,253, or 31.1 per cent over 1910.

Parksburg, W. Va., 20,032, increase 2,197, or 12.3 per cent.

Middletown, N. Y., 18,420, increase 3,107, or 20.3 per cent.

Warren, O., 27,050, increase 15,365, or 144.1 per cent.

Trenton, Mo., 6,551, increase 1,293, or 22.9 per cent.

Junction City, Kas., 7,516, increase 1,918, or 34.3 per cent.

Kewanee, Ill., 19,026, increase 6,719, or 72.2 per cent.

Annisston, Ala., 15,709, increase 2,973, or 22.8 per cent.

Dayton ranked as fifth Ohio city and forty-third city of the country in population in 1910, with 116,577 people, an increase of 36.6 per cent over 1900. Only eight other cities whose population was more than 100,000 in 1910 have been announced thus far in the 1920 census. Of these Syracuse, N. Y., which was thirty-fourth city in 1910, has reported 371,647 people. Toledo, which was thirty-sixth city in 1910, has reported 343,109 people and has passed both Louisville and St. Paul, twenty-fourth city and twenty-sixth city respectively in 1910 by more than 8,000. Albany, N. Y., fifth city in 1910, has reported its 1920 population at 112,324. The other cities, Milwaukee, Washington and Cincinnati, all have populations of more than 100,000.

FOREIGN EXCHANGE
HIGHER IN WALL ST.

New York, March 24.—The Canadian dollar was quoted one-half cent, a new high in the present upward movement at the opening of the foreign exchange market here today. The English pound sterling was quoted at \$3.81 or half cent above yesterday's close. Franc checks sold at the rate of 14.37 for the American dollar, up 45 centimes, and lire checks at the rate of 19.87, up 40 centimes. German marks were quoted at 1.27 cents each.

TURN CLOCKS ON
SATURDAY NIGHTCity Ordinance Passed One
Month Ago Becomes Ef-
fective at Midnight—
Commissioners are Un-
decided.

The daylight savings ordinance passed recently by the city council goes into effect Saturday midnight when all city clocks are to be turned forward one hour. Whether the whole county will have this time depends on the decision reached by the county commissioners, who have charge of the court house clock. Information has been received that the postoffice, the municipal court, and the railroads will not change their hours because of the council's action.

Judge P. A. Bolton of the municipal court said that the court would not adopt the daylight saving ordinance of the city which goes into effect Saturday at midnight. Judge Bolton stated as the reason that a city ordinance can not supersede the state law which sets the standard time for Ohio.

The county commissioners have not yet decided whether to turn the court house clock ahead an hour Saturday, but that decision will be reached within a day or two. Judge Fulton will call the common pleas court according to the time recorded by the court house clock and whether it will be earlier depends on the action taken by the county commissioners.

COX CONFERS WITH
DEMOCRATIC LEADERS

Columbus, March 24.—A conference of Democratic state leaders with Governor Cox, presently with reference to his candidacy for president, is in progress today, having been continued from last night.

Among those attending the conference are National Committeeman E. H. Moore, of Youngstown; State Chairman W. W. Durbin, of Kenton; former Congressman George White, of Marietta; Joe Dowling, of Dayton; John A. O'Dwyer, of Toledo, and James Ross, of Columbus.

It is expected that an announcement as to the purpose of the conference and its results will be issued late this evening. Announcement that Mr. Moore has been selected to manage the governor's campaign is expected by those in touch with events.

LUMBER MEN HOLD
DISTRICT MEETING HERE

A meeting of District 12 of the Retail Lumber Dealers' association met at the Hotel Warden last night. Representatives were present from Newark, Zanesville, Lancaster, Somerset, Baltimore, Alexandria, and Greenville. A dinner was served in the O'Neil dining room and J. G. Hughes presided at the meeting.

Short talks were made by A. C. Davis, manager of the South Side and New Steelton Lumber company, of Columbus, Wexley Montgomery, of Newark, and Mr. Lorimer of Zanesville.

CONGRESSMAN DROPS DEAD.
Washington, March 24.—Representative W. J. Browning of Camden, N. J., dropped dead in the barber shop at the capital.SAYS DANIELS
DELAYED ACTION
ON NAVY PLANSAssistant Chief in Depart-
ment Says Chaos Existed
When War Came.NO ONE KNEW WHAT TO DO
WHEN PLANS WERE REJECTEDIs Amazed That Navy Was
Able to Accomplish
Work It Did.

Washington, March 24.—Virtual chaos existed in the navy department at the time the United States entered the war, Captain Harris Laning, assistant chief of the bureau of navigation during the war, testified today before the senate investigating committee.

Captain Laning said no one knew what to do after a plan of action submitted by the bureau of operations had been disapproved, and that the "personal characteristics of the secretary of the navy often made it impossible to get approval of really important policies."

"Whenever a plan or policy was presented to the secretary he almost invariably delayed action on it," Captain Laning declared. "The personal interest in all matters connected with the developments absorbed so much of his time that he never had much left to give to important affairs."

When important policies and plans were submitted to Secretary Daniels, Captain Laning said, "directions would be given to leave the papers for 'consideration,' and usually these instructions meant that the matter would not be heard from again until the officer interested looked the papers up and then frequently the papers could not be found."

"Conditions finally became so bad," the witness said, "that officers used every means possible to put their plans before the secretary without obtaining the required authority."

"I was and still am amazed that the navy was able to accomplish the remarkable work it did, but it is certain that it did accomplish could have been done much more quickly and efficiently if we could have had a plan from the start."

Captain Laning said many officers found this condition to be true and he offered to furnish the committee the names of other officers who, he said, would corroborate his testimony in this respect.

Captain Laning said that just prior to 1917 the department gave out such glowing accounts of the navy and its splendid condition and efficiency that few, if any, outside the navy realized the true condition.

The witness said he did not criticize the department's policy as to building program as it always advocated increased numbers of ships, but whether the numbers and types were correct was a matter of personal opinion. Secretary Daniels, he said, based his ideas of the navy's fitness on the total number of ships rather than on their condition or whether they were properly manned for war.

WOOD LEADS IN
SOUTH DAKOTA
PRIMARY RACELess Than Half of Pre-
cincts Are Reported But
Practically All of the City
Votes Are Counted.

Sioux Falls, March 24.—With about nine-tenths of the city vote throughout South Dakota recorded, tabulated results of yesterday's primary election on endorsement of a Republican candidate for president today showed these totals from 1708 of 1740 state precincts: Wood, 25,672; Lowden, 12,253; Johnson, 17,560. Ten counties, mostly in remote sections, such as the Bad Lands region, have not been reported. These counties have 142 voting precincts and many of them are isolated from railroad and wire communication.

On the face of available returns Wood is leading in 31 counties, Johnson in 11, and Lowden in 11. Wood and Lowden are tied on an incomplete total in one county.

In counties where the vote was overwhelmingly for Wood Lowden received most of the remaining ballots, while in counties which supported Johnson heavily, the Illinois governor was the second choice.

ELECTRICAL MEN
GET WAGE BOOSTNew Increase of 46 Per
Cent Makes Wages Now
\$7 Per Day—All Shops
Are Affected.

Under a new agreement which has been reached between the electrical workers of the city and their employers, the workers will receive a 46 percent increase beginning April 1.

All the shops in the city are affected and the increase over the present salary will mean that they will receive pay amounting to \$7 a day.

Previously the men have received an average of 75 cents an hour and the increase will mean a rate of \$2 1/2 cents an hour. Those affected are members of the I. B. E. W.

ASSERTS FARMERS
ARE WITH LABOR

George D. Hampton.

George D. Hampton, managing director of the Farmers' National Council, has announced that 750,000 farmers have joined the political campaign of organized labor and predicts that by working together the farmers and organized labor can capture enough congressional districts to give these two interests the balance of power in the next congress.

DELAY VOTE ON
SCHOOL BONDS TO
AWAIT SURVEYSchool Board Changes
Plans After Open Meet-
ing Attended By Newark
Citizens Tuesday Night.

At the open meeting of the board of education last night at the high school there were about 30 men present, representing the Chamber of Commerce, Rotary Club, Kiwanis Club, Taxpayers' league and Trades and Labor assembly. The expressed opinion of those present was to have the board defer action on the bond issue until the August primaries. By that time the committee appointed by the executive committee of the Taxpayers' league will have made its survey and related the important facts of the schools, water, sewer and street improvements that Newark ought to have.

President Miller opened the meeting and called on those present for their opinions of the proposed issue of \$1,000,000 for school expansion purposes. Before calling on anyone, however, he gave Superintendent O. J. Barnes the floor. Mr. Barnes stated the proposition and needs of the schools as follows:

"The bond issue is for the purpose of providing for three new buildings, a new high school, keeping the old one for use as a junior high, a new elementary school for East Newark, probably near Mill street, and a four-room addition to the present school on Hudson avenue. The high school will be planned with an auditorium seating 2,000 people, with a gymnasium and swimming pool and with adequate provisions for industrial training in wood and iron for the boys and domestic science, laundering, marketing and millinery for the girls."

"The new high school is needed because the present building is overcrowded, now having 825 pupils, when it was planned for 600. The industrial department is entirely inadequate, and there is a lack of equipment and room for the girls' club."

"After Mr. Barnes had finished a general discussion took place and it developed that the opinion was practically unanimous for the board to delay action for the present. The board meeting into session after the public meeting until the Taxpayers' league committee has made its survey and recommendations."

WOMAN KICKED BY
COW; RIBS BROKEN

Just a few hours previous to the time her husband was to be removed to his home from the hospital, where he had his leg amputated, Mrs. S. S. Finney was seriously injured when she was kicked by a cow.

Last fall, Mrs. Finney was starting to deliver milk to Newark, he had his leg broken in a runaway. The injury was such that although every effort was made, it was impossible to save the leg and it was removed several weeks ago.

Tuesday night, while Mrs. Finney was milking the cow, she kicked her, breaking three ribs and she suffered a gash on her forehead which required six stitches to close.

ITALIAN DODGES PORT OFFICERS.
New York, March 24.—Giuseppe Nardi, a young Italian, was held at Ellis Island today for possible deportation, despite the fact that he was so anxious to enter this country that he tried to smuggle himself in by swimming from a steamer in the harbor. Nardi dived from the steamer Pizarro from Naples, yesterday, shortly before she docked.NEW CABINET WILL
BE FORMED IN BERLIN;
SOCIALISTS GET PLACECHANGE IS EXPECTED ANY TIME, DISPATCH
FROM COPENHAGEN STATE—UTILITIES
IN BERLIN ARE IDLE.GOVERNMENT TROOPS CLASH WITH
COMMUNISTS NEAR WESEL; 62 DEADArmed Countrymen Join Regulars In Attack on 15,000
Radical Troops—Radical Leader Released From Jail to
Head Army in Ruhr District.

Copenhagen, March 24.—Formation of a new German cabinet is a matter of only a few hours and independent Socialists are sure of getting several important portfolios, according to telegrams from Berlin this morning.

Gas, water and electric service have not been resumed in Berlin and the tramways are still idle, as the independent Socialists have assumed a waiting attitude. They are said to be dissatisfied with the government's "soft methods toward traitors," while armed Spartacists are simply stood against the wall.

ORDERS ARMY MEN TO DUTY.

Coblenz, March 23.—Otto Meindorf, who was released from prison to take charge of the Communist movement in the Ruhr basin, has ordered all workmen who have seen military service to report for duty, threatening, if they fail to obey, to cut off their food rations.

SIXTY-TWO KILLED IN CLASH.

Wesel, Germany, March 24.—(Via Berne)—Six thousand government troops, reinforced by armed countrymen, had a skirmish with Communist guards numbering about 15,000 near here last night. Reports state 62 were killed and upwards of 100 wounded.

CROWN PRINCE WILL
REMAIN ON ISLAND

The Hague, March 23.—Announcement by the premier today that the Dutch government had granted the island of Wieringen to the former German crown prince, as a place of residence, is believed here to complete the steps by which Holland seeks to meet allied demands as to the safe keeping of former Emperor William and his son. A decree by which William of Hohenzollern would be confined to that portion of Utrecht including Amerongen and Doorn was made public last week. Reports are current the crown prince asked that his residence be fixed on the island and declined an opportunity to live near his father.

GERMANY ASKS LEAVE
TO SEND ARMED FORCE

Paris, March 24.—Two German officers who arrived here last night from Berlin to explain to the allies the necessity for permitting the German army to enter the occupied zone to restore order saw Premier Millerand today and told him the Ebert government had ample forces ready to deal with the situation in the Ruhr valley.

No decision was officially announced, but it is understood on good authority the allies have decided to give the permission, and that all that remains to be decided is what guarantees will be asked of Germany to insure that her army will retire as soon as order is restored.

GERMAN CABINET MAKES
AGREEMENT WITH LABOR

London, March 24.—In the strike settlement reached by the German government with labor unions, which the majority socialists are pledged to place in their parliamentary program the clause of labor organizations says a Berlin dispatch to the Exchange Telegraph company.

The government has expressed willingness to withdraw its troops from Berlin and across the Spreewald to the government headquarters and raise the state of siege immediately, it is said. In addition it undertakes not to attack workers, particularly those in the Ruhr valley, and to negotiate with unions concerning the entry of labor representatives into defense corps.

The unions pledged themselves to call another meeting to decide upon the question of a new general strike, in case their claims are not met and the government's policies are broken. The claims of the unions follow:

Reorganization of the government of the empire and Prussia must be undertaken with the cooperation of labor unions and the deciding influence upon social laws must be given the unions. Guilty rebels must be dismissed and punished.

All offices of the public administration must be purged of counter revolutionists.

The reform of governmental administration must be executed as quickly as possible with the cooperation of the unions.

Social laws must be extended immediately to secure economic equality for working men.

Nationalization of industry must be commenced at once.

Better supplies of food must be arranged and available stocks must be placed at the disposal of the people.

All military formations which do not remain true to the constitution must be disbanded.

SOCIALISTS ARE
INELIGIBLE FOR
ASSEMBLY SEATSCounsel For Committee
Files Brief Saying Party
Affiliation
Condemns
Them.

Albany, N. Y., March 21.—The five suspended-Socialist members of the state assembly "are ineligible and disqualified to occupy seats," counsel for the assembly judiciary committee asserted today in a brief filed with the committee which conducted an investigation into the charges of disloyalty against the men.

"It is by the organization to which they belong that those men must be judged," says the brief. "Their individual acts and declarations in so far as they have been proved serve merely to illumine and to show in concrete the principal purposes and program for which the organization stands and to confirm the seditious purposes of the party to which they belong."

"Socialists are trying to bring about a change of government by political action backed up by a general strike, the two being employed as the two strong arms of a giant to pull down the structure of our government, which has been built and maintained through the inspiration, the toil and the blood of countless loyal citizens of this republic."

ALL SET FOR DINNER
OF C. OF C. THURSDAY

Plans for the final arrangements for the big membership dinner of the Chamber of Commerce have been made. The dinner will be served at 6 o'clock Thursday evening in the Masonic Temple.

The women members of the organization and wives of the members are invited to attend. There will be but two addresses. The report of the work of the chamber by President W. W. Davis and Dr. Frank Garland of Dayton.

WIRE BRIEFS

The Hague—Royal decree gives island of Wieringen to former German crown prince as place of residence, without prejudice to future arrangements.

Parksburg, W. Va.—Liquor may be removed by owner from his home in West Virginia to new permanent residence in another state, according to ruling handed down by Federal Prohibition Director Charles Lively.

New York—Operation of state daylight saving law which makes New York time two hours faster than Chicago and effective 2 a. m. Sunday as expected to attract a big business arrangement.

Warsaw—Heavy fighting reported on Polish front. Poles reported to have driven back Reds in battle.

Minneapolis—Five men, including the sheriff, arrested charged with holding liquor from Canada into the United States.

**Y SENIORS AND
PRINTERS WIN**

Heiseys and Wehrles Take Short End of Score In Industrial League Games Tuesday.

League Standing.	W.	L.	Pct.
B. & O.	15	3	.833
Heisey	15	3	.833
American Bottle	11	6	.647
Wehrle	9	8	.500
Printers	9	9	.500
Midland	4	12	.250
Y. Seniors	4	14	.222
Burke Golf	2	14	.125

Thursday games: B. & O. vs. Burke Golf; Midland vs. American Bottle.

In the opening game on last night's card the Y Seniors took over the Heisey squad after a hard fought battle. The first half ended in a tie at 12 to 12. Long shots and the five-man defensive game proved too much for the glass men. The Heisey squad was off color and failed to play up to their usual form. No long shots entered into their scoring. Rutton got away with a number of short but had a bad eye from the free throw line getting only one out of six chances. Christman and Allen tied for honors in scoring for the triangle boys. Young's range finder was out of commission and DeFrance's was badly dented. Fishbaugh held his own in the backfield. Final score: Y Seniors 33, Heiseys 25.

Jones c.	3	0	2
Beard, rg.	0	0	0
Herzog lg.	1	0	2
Total	12	1	25

The second game last night started out at even odds but it wasn't long before the Printers started scoring and the half closed 13 to 3 in favor of the press team. The stove men fared better in the last period but the ink men again outplayed the west enders and the game closed 27 to 11 for the type setters. The Miller twins did some fine playing at guard and both came in for a goal calling attention that every man on the squad scored. Spencer and Nold led their respective teams in scoring.

St. Rita.

St. Rita was canonized in 1900. She is called the saint of the impossible, and is generally pictured holding a bunch of roses. When she was dying, it was in the winter and cold, and she asked one of the nuns at her bedside to go to the garden to pick her a rose. Those about her bed thought that her mind was wandering, but one of them, as a matter of form, went to the garden, and, behold, on one of the bushes was a beautiful rose.

The development of an air route from Egypt to India and its use for carrying mails has been recommended by a British government advisory committee on aviation.

U. S. GIRL TAKES PART IN PAGEANT

Miss Lois Fox in her parade costume and holding her pet fox.

Miss Lois Fox, American was worker known as the ukulele girl of the A. E. F., was honored in the great fashion parade staged in Paris recently. In this fete a representative of every village marches in a costume regarded as that village's choicest. Miss Fox was dressed as "Brittany." Her apron is a Marie Antoinette handkerchief, once the queen's, given Miss Fox by the Baroness de Butler.

**PROHIBITION LAWS
WELL ENFORCED IS
OFFICIAL'S VERDICT**

H. M. Gaylord.
Deputy Commissioner H. M. Gaylord of the prohibition enforcement bureau recently returned to Washington after an inspection trip and declares that the enforcement of the laws is successful in all parts of the country that he visited. He predicts conditions will be even better within three months. He visited Indiana, Illinois, Missouri, Nebraska, Minnesota, Wisconsin, Ohio and New York.

**ANOTHER OIL CO.
MAY OPEN OFFICE**

Fifth Corporation Takes Suite of Rooms In Trust Building Which Becomes Important Oil Building.

Oil men here today are discussing a report that Ralph Brothers are taking offices on the fourth floor of the Newark Trust company. The rooms are being vacated by C. V. Wise of the Newark Cordage company. The Cordage company has been having offices at the warehouses of the company in Cedar street. Ralph Brothers have a number of wells drilling in the surrounding fields.

This is the fifth oil corporation to take offices in the Trust building. The others are the Ohio Cities Gas company, Trivway Oil and Gas company, Leonard Oil and Gas company and the Buckeye Pipe Line company.

SHOOT TWELFTH WELL.

The Gordon Oil company which has a number of local stockholders, shot its 12th well Tuesday in Hocking county. The result is not known here yet. The well is in the Union Furnace field in Hocking county.

LOCATES NEW WELL.

The Ohio Fuel Supply company has a new location on the John W. Fravel farm in Harrison township, Licking county. The rig is up and the tools are being moved in.

GETS LIGHT SHOWING.

The Everett company drilled through the sand at the J. M. Lake well in Licking county yesterday. A light showing of oil was found and the well is being shot today.

SOUTHEASTERN OHIO.

Light wells are being drilled in the southeastern Ohio fields. In the deep sand territory in Falls Gore township, Hocking county, the Buckstone Oil company has drilled No. 5 on the Elizabeth Nixon farm through the Clinton sand and showing for a very light pump. In Ward township the Ohio Fuel Supply company is down 2,350 feet at a test on the Henry Jacoby farm and fishing.

Located in the Lowell district, Fearing township, Washington county, J. E. Carrahan & Co. have completed No. 3 on the Flanders heirs' farm. It is a three-barrel pump in the Macksburg 500-foot sand. In the Woodfield district, Green township, Monroe county, Edward Thompson & Co. have a duster in the Keener sand at the Christian Nebecker farm. In the same locality, G. C. Soles & Co. had the same kind of luck at a test on the S. A. Tracy farm.

In the Rea Run district, Independence township, Washington county, S. E. Edwards & Co. are drilling a test on the C. W. Edwards farm located 500 feet east of the Rea Run Oil company's test. In the same district and township, A. C. Landerbaugh & Co. have started to drill a second test on the A. C. Landerbaugh farm. In Grandview township, the Benson Oil company is drilling a test on the Weber heirs' farm located 2,000 feet east of the gasser on the Frank McGraw farm.

Kava in a New Way.

The national leverage of the Samoan islanders is "kava," obtained from the dried fruit of a plant known to the botanist as Piper methysticum. The classic method of its preparation was by chewing. Water was added, and, after straining, the stuff was made to drink. Missionaries convinced the natives that this method of not associating with the best social customs and nowadays they grind the kava in a stone mortar with sugar and drink an unappetizing and unwholesome concoction. Some say it has a flavor like the native way. The native way is too slow for them, so they prefer to use a meat grinder.

A Crawford county (Ohio) farmer brought a beef hind to Bucyrus and received \$11.70 for it. Pocketing the money, he said "I'll take thirty cents from my pocketbook, add it to the \$11.70 and go down and buy my boy a pair of shoes."

GUARANTEED CIRCULATION.
The circulation of The Newark Advocate has been audited by the Audit Bureau of Circulation, the recognized authority on expert circulation examination.

SUFFRAGE NEEDS ONE VOTE.

Ratification of the suffrage amendment lacks the vote of just one state. Washington having been the 35th state to approve the amendment, eyes are now turned to Delaware's legislature which is now in session.

Ratification of the suffrage amendment by Delaware appears doomed unless something unexpected develops to influence members of the legislature.

A poll of the members of both houses yesterday afternoon showed 34 members opposed to the ratification with only 18 favoring it. That this poll was accurate the suffragist leaders agreed. They still expressed hope, however, that Delaware would swing into line and become the thirty-sixth state to ratify, thus making the nineteenth amendment a law and giving women throughout the country the right to vote.

Failure of Delaware to ratify the amendment does not mean defeat for suffrage, though it may mean delay. Should Delaware fail it is probable that a special session of the Tennessee legislature will be called. There is a possibility of Vermont and one other state being called to cast the 36th vote for equal suffrage. Delaware may fail, but if so, one of the other states will take her place.

SCHOOL BOND ISSUE.

The Newark school board exercised good judgment last night in postponing the appeal for a million dollar bond issue for a school building campaign.

It is true the Newark school houses are crowded, some of them are antiquated and there is need right now for more school rooms and better facilities in the schools. While this is true, there is also need of a filtration plant, an adequate sewer system, street paving and so forth.

The Taxpayers' league is giving attention to the city's needs and intends to make a survey with a recommendation to the voters, and the school board did the right thing in delaying action until the survey is finished.

If Newark is to grow and is to take care of its increasing population, we must have more school houses, but other important features must not be neglected. Let's have a plan and work to that plan.

EARNINGS OF BALL PLAYERS

It makes some young fellows restless to learn that a few high lights of baseball are valued by the teams holding contracts with them, at from \$20,000 to \$100,000. The fellow who can play a smart little game himself hates to get down in a humdrum occupation, when there is the possibility of earning big money.

Yet a lot of very fast players, not so much faster to the top rank, earn only \$2,500 to \$3,000. And to get this, they have to sacrifice their very best years, the time when they should be getting a start for a lifetime.

The fellow who quits baseball at 26 to 27, is 15 years behind the boys that he grew up with. He feels out of place to begin at the bottom in any calling. He is handicapped by lack of business experience, and in a great many cases makes a failure of it.

No cases of spring fever and tired feeling are reported among the sporting crowd when a dance lasting a full 3 a. m. is arranged.

Girls who have pretty hands have not so far shown much reluctance in the use of cuticle boards.

It appears from the internal revenue ruling on poker winnings, that even kiddy is taxable.

HOME LIFE.

In large cities crowded and cramped apartment houses are driving out home life. People do not seem to care, as in the day time they are working, and in the evening out at diversions. The home is largely a sleeping place. In small cities and country towns there is more home life as formerly. Yet even there many people feel that the constant succession of entertainments destroys the old time home life.

There is something lacking in a family when old and young do not get together constantly for good talk and intimate association.

Yet one reason why people stayed at home in former years, was that there was nothing doing anywhere else. The much vaunted old time home life frequently consisted largely in yawning with sleepiness, and wishing there was something going on.

The quiet evening around the parlor lamp, when the whole family gathered in one place for various pursuits, will probably never return. People, especially young folks, demand more vigorous pursuits. But if it is the case that people are spending too much time in entertainments, they can't be forced to give up such diversions by any merely negative program. Singing, gymnastics, competitive sports and games, and other diversions that give an outlet to the desire for vigorous action, will have to be substituted.

The home circle is the medium through which one generation passes on its standards to the next. The old time intimate relation ought not to lapse, even if people have more outside activities. In a town like Newark there are many pleasant diversions, which in a way act as a competitor to old time home life. But for all that there are plenty of households here, in which the finest ideals are nobly maintained.

Pointed Observations

The young lady across the way says foreign exchange will right itself in time and the English pound will soon be worth the full 16 ounces again.—Ohio State Journal.

Ability considered, Bainbridge Colby will probably measure well with most of his partisan critics.—Canton News.

The Allies, no doubt, concluded that it was cheaper to let the Turks keep Constantinople than to pay the cost of having it disinfected.—Columbus Dispatch.

The expulsion of the Turk may not be to the British interest, but it is to the interest of civilization.—Rochester Herald.

But how can Mr. Hoover expect to lead his party in this year's campaign when he has no party?—Kansas City Journal.

Americans are economical only in the use of economy. If that is an anomaly or a paradox, make the most of it.—Brooklyn Eagle.

There you have it; the railroads that earn a good return don't want to divide up the excess with the failures. We never knew a railroad could be so much like a human being.—Milwaukee Journal.

TIMELY QUERIES

1. Who was Fanny Crosby, who was born one hundred years ago today?

2. Twenty-five years ago today a Japanese fanatic attempted to assassinate Li Hung Chang at Shimonoeki. Who was Li Hung Chang, and what was the object of his visit to Shimonoeki?

3. Ten years ago today Egyptian Nationalists protested against a speech by Colonel Roosevelt at Cairo favoring British occupation. What are the Egyptian Nationalists?

4. Five years ago today the New York legislature passed a Mothers' Pension bill. Which was the first State to pass such a bill?

5. Who is Garret P. Serviss, who today enters upon his 50th year?

Answers to Yesterday's Queries.

1. March's lucky stone is the bloodstone, signifying wisdom and courage.

2. Originally, March was the first month of the year.

3. Cardinal Bourne is archbishop of Westminster and the titular head of the Roman Catholic church in Great Britain.

4. Louis Riel, leader of the insurrection in Northwestern Canada in 1885, was convicted and executed for high treason.

5. The "perilous dayes of Marche," on which according to an old superstition no new enterprises must be begun, are the 6th and 7th.

Did You Know

That the old jail in Edinburgh was for many years known as the "Heart of Midlothian"? Edinburgh is the capital of the county of Midlothian. The jail was torn down in 1817.

Married Strangers

A powerful story dealing with a problem being worked out in thousands of American homes to-day—that of the husband and wife who find they grow apart while the man was off to war.

By FRANCES DUVALL.

Copyright, 1919, by The Wheeler Syndicate, Inc.

CV.—Scales of Justice.

Keitha was honest with herself. She had asked herself why she remained with Bennett and had answered truthfully. And though she was not prepared to confess just how much her kisses, dropped on her husband's mouth, had meant—whether it had stood for calm affection and the sense of companionship that grows between two people who have married, or whether it meant a new and awakening love which was directed toward the Bennett who had returned from France.

At any rate, the question of whether she should go back and try to take up her life where she had left off, or whether she should go forward and try to snatch happiness from the ruins, was effectively disposed of for all time. Doubts had troubled her from the day of Bennett's return, but that moment they left her forever. Come what may, she was going to stick and trust to chance—and strategy—to win against the odds.

Keitha had never gambled, but somewhere in the shadowy branches of her family tree there had existed a gentleman who lived by the turn of the wheel or the fall of the dice, for Keitha experienced a thrill such as she had never known when she realized that she was really launched on a game which would require all her finesse and the use of every card she held.

She returned to the hard leather lounge and curling up in a corner of it, began to plan a deliberate campaign. Chin thoughtfully resting on one slim hand, she went back over every day of her life with Bennett since the army transport had landed him at Hoboken. She viewed the months as impersonally as though she were a disinterested outsider. She was merciless in her analysis of her own conduct, as well as Lester's.

"This I should have done, and that I should not have done," she would pronounce sentence to herself. "If I had

Some Are Easy.
A woman goes through life firmly convinced that she never made any of the advances but we ourselves, with our limited acquaintance, have girl friends who can say hello over the telephone in a way to alienate our affections.—Ohio State Journal.

Still some affections seem to be just loafing around waiting to be alienated.

Lucky Job.

"Old Job sure was a lucky lout," remarked poor Oswald Itax; "He never had to figure out His doggone income tax."
—Luke McLuke.

You bet Job was a lucky man, I'll say luck stood by him. He never had a blowout an' Came home upon the rim.
—Hastings (Neb.) Tribune.

"Job surely was a lucky gink," commented Dr. Ladd; "It makes me envious to think Of the patients that he had."

La Grippe.

One day las week I feela seek And so I go to see de doc. Who say to me, hum hum I see You kinda run down in de sock, De hiles she high, de fer, my She gone away con'yrid a leap, An so, an so, Antonio. I moocha tink you git de greep!

An dan he said, you go to bed An take de stuff in disa bot. She strong so before you know She helps you a moocha lot. You shake um well, an dan he tell You take a dose each hour or so, Two dollars, yea dat right I guess, Good bye, so long Antonio.

A funny feel she kinda steal Right down despine because, eh not! Dat too much mon to give for one So leette ting as disa bot He say ho ho, Antonio. Dis goods stuff an coma cheap, But I say no if dat bin so She cost lak hal to have de greep.
—I. G.

Editor Advocate:
I really dislike to complain And yet I cannot quite refrain. When I advertised that Monday night I had every reason to think my plight Would soon be bettered, but instead No one has asked me yet to wed. Except a Dago named Mike Pete, Who surely has lots of conceit. Now, Mr. Spencer, be advised That I will not be victimized. This fellow, Mike Pete, has a wife Whom, very early in his life, He took in Italy; I guess They have ten children, more or less. I would not marry any poor man And much less would I have a Mormon. My brightest prospect, Warren Suter, I've heard said he would not refute her Could he but definitely locate The modest maiden in search of a mate. That looked quite hopeful, for I inferred To matrimony he'd been stirred; But I was mistaken, for you see, He's being nice as he can be To every other girl-in town; But all he gives me is a frown. Johnny Bader and Clarence Place Seem afraid to look me in the face. And Tommy Eads, who said rather die Than look me square in the eye. The other bachelors follow suit. You'd really think they all were mute. "Want Ads Bring Results," I thought. But now I think that they do not. And, seriously, I now state Four more years is long to wait.
—Patience Hopewell.

WRIGLEYS

After a hearty meal you'll avoid that stuffy feeling, if you chew a stick of

WRIGLEYS

Other benefits: to teeth, breath, appetite, nerves. That's a good deal to get for 5 cents!

Sealed Tight—Kept Right!

An Analysis of the New Sliding Scale of Rates for Natural Gas

An analysis of the sliding scale upward schedule of rates put forth by THE LOGAN NATURAL GAS AND FUEL COMPANY and the companies to which it sells gas at wholesale, discloses that the consumer using the average amount of natural gas per year, to-wit, 111,000 cubic feet, will pay but little more than 49 cents per thousand cubic feet. A moment's study of the table given below will make this plain and disabuse the mind of the fallacy that the rate now in force is exorbitant or excessive. Only those who use gas greatly in excess of the average are affected by the higher rates. A flat rate of 49 cents upon the basis of present consumption would insure the same receipts for the company as the sliding scale, but it would not act to conserve gas, as will the 60c rate for all over 15,000 cubic feet per month. At 49 cents there would not be sufficient incentive to economize in its use. Furthermore, the ascending scale of rates will gradually reduce the average consumption per consumer per year, and this in turn will further reduce the 49c average rate.

MONTH	Consumption	First 5M 45 cents	Second 5M 50 cents	Third 5M 55 cents	Over 15M 60 cents	Total Monthly Payment
January	18,000	\$2.25	\$2.50	\$2.75	\$1.80	\$9.30
February	19,000	\$2.25	\$2.50	\$2.75	\$2.10	\$9.60
March	14,000	\$2.25	\$2.50	\$2.20	\$6.95
April	9,000	\$2.25	\$2.00	\$4.25
May	5,000	\$2.25	\$2.25
June	3,000	\$1.35	\$1.35
July	2,000	\$0.90	\$0.90
August	2,000	\$0.90	\$0.90
September	4,000	\$1.80	\$1.80
October	8,000	\$2.25	\$1.50	\$3.75
November	12,000	\$2.25	\$2.50	\$1.10	\$5.85
December	15,000	\$2.25	\$2.50	\$2.75	\$7.50
TOTALS	111,000	\$22.95	\$16.90	\$11.55	\$4.20	\$54.70
Percentages		41.5	29.0	20.0	07.6	

Total bill for the year \$54.70 for 111,000 cubic feet; an average price of 49 1/4 cents per 1,000 cubic feet.

NEWARK NATURAL GAS & FUEL CO.

LIVING COST STILL SOARS

Wholesale Prices of Staples Show Average Advance of 22 Per Cent for Year.

UP 100 PER CENT SINCE 1913

Minneapolis Leads in Increase of Retail Prices—Only 11 Commodities Have Declined—Greatest Increase in Building Materials.

Washington.—The cost of living is still on the increase, according to reports received by the bureau of labor statistics of the United States department of labor from retailers in 50 cities. The average family expenditure for food was 2 per cent higher on January 15, 1920, than on December 15, 1919, and the cost in December was 2.6 per cent higher than it had been in any previous month.

These figures show an increase of 9 per cent since January, 1919, and an increase of 104 per cent since January, 1913. The comparisons are based on the average retail prices of the following articles, weighted according to the consumption of the average family: Sirloin steak, round steak, rib roast, chuck roast, plate beef, pork chops, bacon, ham, lard, hens, flour, cornmeal, eggs, butter, milk, bread, potatoes, sugar, cheese, rice, coffee and tea.

During the months from December 15, 1919, to January 15, 1920, 29 of the 44 articles of food for which prices were secured in 1919 increased as follows: Cabbage, 38 per cent; potatoes, 26 per cent; granulated sugar, 23 per cent; onions, 11 per cent; lamb and rolled oats, 8 per cent each; hens, 7 per cent; plate beef, 6 per cent; flour, 5 per cent; sirloin steak, rib roast, chuck roast, bread and cream of wheat, 4 per cent each; round steak and raisins, 3 per cent each; canned salmon and rice, 2 per cent each; ham, evaporated milk, macaroni, baked beans, tea, coffee and bananas, 1 per cent each.

Eleven articles decreased in price, as follows: Strictly fresh eggs, 8 per cent; butter, 5 per cent; lard and canned tomatoes, 3 per cent each; pork chops, storage eggs and oranges, 2 per cent each; fresh milk, canned corn, canned peas, and prunes 1 per cent each.

Increases in One Year.

From January, 1919, to January, 1920, 25 of the 42 articles for which prices were secured on both dates increased in price as follows: Onions, 120 per cent; cabbage, 98 per cent; potatoes, 69 per cent; granulated sugar, 68 per cent; raisins, 55 per cent; prunes, 47 per cent; coffee, 41 per cent; rice, 31 per cent; flour, 23 per cent; canned salmon, 16 per cent; crisps, 13 per cent; cream of wheat, 11 per cent; cornmeal, 11 per cent; oleo-margarine and strictly fresh eggs, 10 per cent each; bread, 8 per cent; evaporated milk and storage eggs, 4 per cent each; lard, 2 per cent; and lamb and tea, 1 per cent each.

Articles which decreased in price during the year were navy beans, 18 per cent; plate beef, 16 per cent; bacon, 14 per cent; canned tomatoes, 11 per cent; chuck roast and baked beans, 10 per cent each; pork chops, 8 per cent; ham and canned corn, 6 per cent each; round steak, 5 per cent; rib roast, 4 per cent; cheese and canned peas, 2 per cent each; sirloin steak, nut margarine and oranges, 1 per cent each. The price of cornflakes was the same as in January, 1919.

Potatoes increased 238 per cent and granulated sugar 207 per cent for the seven-year period from January, 1913, to January, 1920. This means that the price in January of this year was more than three times what it was in 1913. The price of nine other articles more than doubled during this period: Pork chops, 101 per cent; lamb, 202 per cent; rice, 110 per cent; cornmeal, 120 per cent; lard, 121 per cent; strictly fresh eggs, 123 per cent; storage eggs, 143 per cent; and flour, 145 per cent.

The statistics show that the average expenditure for 22 articles of food increased from December, 1919, to January 13, 1920, in 41 cities and decreased in 9 cities.

Largest increase in Minneapolis. For the year period January, 1919, to January, 1920, the greatest increase, or 16 per cent, was shown in Minneapolis. The next largest increase, or 11 per cent, was in Chicago, Detroit and Springfield. The other cities showed increases ranging from 1 per cent in Baltimore to 10 per cent in Cincinnati, Fall River, Omaha, Peoria, St. Louis and St. Paul.

Wholesale prices in general showed an increase of 22 per cent in January of this year over January last. The greatest increase in this period is shown for lumber and building materials, which advanced 66 1/2 per cent in price in the 12 months. Clothing and clothing articles and housefurnishings goods followed next, with increases of 40 1/2 and 48 1/2 per cent, respectively. Food prices as a whole rose over 22 per cent in the year.

Brings Century Old Trucks.

Portland, Ore.—Four valued at \$750, 000 and various trucks removed from Siberian glaciers and estimated to be more than a hundred years old were included in the cargo discharged from the steamer Waban, from Vladivostok.

In the quartermaster department of the U. S. Army eight officers and 26 men were killed in action.

Chicago Grain Review.

Chicago, March 24.—Selling pressure continued today in the corn market, largely as a result of further publicity given to forthcoming investigation of car control and other supposed reasons for scarcity at high terminals. Opening quotation, which ranged from 1 1/2 to 1 1/4 lower, with May \$1.54 1/4 to \$1.55 1/2 and July \$1.49 1/4 to \$1.50 1/2, were followed by a moderate setback and then by a general upturn.

Chicago Grain Closing.

Toledo, March 24.—Corn: cash, \$1.45; Oats: cash, \$1.00 1/2. Barley: \$1.35. Clover seed: prime cash and March, \$3.40; April, \$3.45; May, \$3.50; June, \$3.55; July, \$3.60; August, \$3.65; September, \$3.70; October, \$3.75; November, \$3.80; December, \$3.85; January, \$3.90; where as a mark of the best.

CHAS. STEVENS

**THE GOOD NEWS
SPREAD FAST**

One person after the other kept telling
about what good Dreo was doing, so
finally this lady bought a bottle.

RIGHT THING AT LAST

Relieved constipation; stopped gas form-
ing; eased her kidney trouble, and
strengthened the vital organs.

"It seemed like the good news of
what Dreo was doing spread fast, for
I kept hearing people talk about what
it was doing until I decided to get a
bottle also." said Mrs. Wm. A. Gast,
1914 Tenth St., Newark, O.
"I've suffered agonies from gastritis.
My food soured in my stomach, filled me
with gas, and caused grating pains and
a choking feeling in my throat. My
bowels were constipated so that I had
to take medicine almost every night for
them. I had been under treatment for
kidney trouble for months—some I had
taken everything except the right thing.
I was losing hope of ever feeling well
again. When I started taking Dreo I
was truly in a bad condition, for I
could eat but very little solid food.
Dreo acted in a soothing manner on
my stomach and stopped the gas almost
at once. My food began to nourish me
and my nerves got steady. My bowels
acted in a normal way each day; the
headaches stopped and my sleep became
restful and I'd rise in the morning feel-
ing refreshed. Dreo has proven a won-
derful tonic to my vital organs and
made a new woman out of me. I have
taken extracts of many herbal plants, but
none act on the stomach, liver, kidneys, low-
els and enrich the blood.
All good druggists sell Dreo and it
is highly recommended in this city by
Francis C. Hale Drug Store. 28-24

AMUSEMENTS

AUDITORIUM.
Big Bill Hart.
Large crowds saw the showing of
"Border Wireless." After a picture, at
the Auditorium yesterday. William S.
Hart is the man who, more than any
other, has brought the fading West
back to the memories of those who are
now old and given a realistic presenta-
tion on the screen for the newer gen-
eration which knows it only through
books or by word of mouth in form of
remembrances. The West lives again
in the pictures in which Mr. Hart is
starred in by Artcraft. He has been
bad man, woodsman, plainsman, puncher,
gambler—everything in a profession of
characterizations, each perfect in it-
self, pictures as faithful to the types as,
for example, are the drawings of Fred-
erick Remington. Now Hart is seen in
a new type of picture—new yet old.
For he is still a Westerner, and for a
time a bandit. But the story is mod-
ern. "Border Wireless" will please all.
It is seen this evening for the last
times.

"Tea for Three."
"Tea for Three," the brilliant comedy
by Roi Cooper Megrue, which has been
the sensation of New York and Chicago
for the last year and a half, comes to
the Auditorium.
"Tea for Three" is unique in that it is
perhaps the only play, be it comedy,
drama or operetta that has never had

"Venus in the East," the latest Para-
mount picture starring Bryant Washburn,
which is the bill at the Alhambra
theater today and tomorrow. Mr. Crisp
has one of the best heads for light com-
edies in the pictures and it was the skill
in making the most of humorous situa-
tions that led to his selection as Mr.
Washburn's director. In "The Way
of a Man With a Maid" the Paramount
picture that preceded "Venus in the
East," Mr. Crisp showed exceptional
skill and his fine work in this latest
Washington picture is even better.

Duds.
Tom Moore, Golwyn star will be
screened at the Alhambra on Friday
and Saturday of this week in "Duds."
This is a mystery story containing all
the elements to make it one of the best
produced pictures to date. It has thrills,
love interest and enough suspense to
carry it through and excite the atten-
tion of an audience.

Mr. Moore in the title role is his usual
self and gives a splendid performance
to the young officer who, returning
home from the front, finds that the
pursuits of a peaceful life have no
charm for him. As Captain Plunkett
he accepts a dangerous job to find the
whereabouts of the great "Suta" di-
mond, which has been robbed from a
French woman in the war swept area.
After many difficult and dangerous ad-
ventures he succeeds in locating the

POP MONAND.

"KEEPING UP WITH THE JONESES," AUDITORIUM MONDAY, MARCH 29
an unfavorable criticism written about
it. It has been declared a literary mas-
terpiece and ranked with the best plays
of Shaw, Oscar Wilde and other Eng-
lish authors. Roi Cooper Megrue, who
wrote it, is thoroughly American, how-
ever, and his play is American also.
The brilliancy of its dialogue, the nov-
elty of its situations and its original
viewpoint have not been equalled by
any modern playwright either at home
or abroad. There are three acts and a
particularly quaint prologue, with
three changes of scene, all exceedingly
smart. Norman Hackett, an actor, who
has made rapid progress in his art,
will be seen in the principal role, while
his supporting company includes Mil-
dred Evans, Hayden Stevenson, Marie
Newkirk and S. Sydney Chon. Mr.
Hackett was just seen here a number
of years ago in a dramatization of an
O. Henry story. Since that time he has
started in "Classmates," "Kick-In" and
Eugene Waters' ill-fated "The Knife."
So pronounced has been his success in
"Tea for Three" that the Selwyns pro-
ducers are featuring him in the cast.
Seats are now selling.

"Keeping Up With the Joneses."
That purveyor of hits and novelties
has corralled another triumph. We re-
fer of course to none other than Gus
Hill, the man who was the first to see
the possibilities of bringing cartoons to
life. Mr. Hill has scored another suc-
cess with "Keeping Up With the Joneses,"
a musical comedy, surrounded
with a powerful cast and beautiful girls,
based on the popular comedy of Pop
Monand, appearing every day in the
New York Evening Globe and the
dozens of other dailies throughout the
United States. Welded to some of the
most tuneful music it has been our
good fortune to hear in seasons this
brand new comedy will hold forth at
the Auditorium Theater next Monday
evening. Girls, and plenty of them,
are quite conspicuous and do a lot to
ward making the offering the sensa-
tion of the night. Built and written for laugh-
ing purposes exclusively this unusual
brand of entertainment promises to
eclipse in popularity anything ever at-
tempted in the musical comedy line.
Seats ready Friday.

ALHAMBRA.
"Prince of Avenue A."
James Corbett, who was screened at
the Alhambra a few weeks ago in
"Prince of Avenue A," will play a re-
turn date at the Auditorium on Sat-
urday next. Owing to the fact that this
feature was shown at the Alhambra at
Alhambra prices, the same prices will
prevail at the Auditorium for the day.
Fifteen cents, with children admitted
for a dime to the afternoon showings.

gether with the very latest in music.

"WHAT'S THE USE?" DO YOU FEEL THAT WAY?

If Something's Taken All the Joy Out
of Life, Maybe It's Your Blood

YOU NEED MORE RED BLOOD

It Isn't Normal to Be Listless and De-
pressed. Pepto-Mangan, Famous
Tonic, Is What You Need

Tell a doctor you're constantly tired
out, blue, and discouraged. If there's
nothing more serious the matter, he
knows you're run-down—that your blood
isn't giving your body the nourishment
it ought. And he recommends a good
tonic.

Good food and a fair appetite aren't
enough. The food must become healthy
red blood. Your blood in turn nour-
ishes and revives your body—keeps the
mind keen, the body vigorous—brings
happiness and health.

If you aren't feeling as well as you
might—if you seem to have lost all your
energy, interest, and enthusiasm—why
not try a bottle of Pepto-Mangan, the
famous tonic that so many physicians
recommend for anemia (bloodlessness)?
It's safe, pleasant, and convenient to
take. Can be had in either liquid or
tablet form—equally effective.

Gude's Pepto-Mangan can be gotten
at any drug store. Be sure to get the
genuine. Look for the name
"Gude's" on the package.—Adv.

RHEUMATISM AND STOMACH EVILS SOON VANISHED

Geo. W. Williams Tells How Quickly
Nerv-Worth Did the
Work.

Richmond, Ind., users of this famous
family tonic are enthusiastic in their
reports. One of these, put in the form
of a signed endorsement, is as follows:
Nerv-Worth Co.—I have been bothered
with rheumatism for some time. Some
days hardly able to get about. I tried
a number of remedies but it was Nerv-
Worth that set me right. I read the
statements of others and decided to give
it a trial and am happy to say that it
drove rheumatism out of my system. It
also stopped my stomach trouble.
(Signed) GEO. W. WILLIAMS,
308 N. 4th St., Richmond, Ind.

The demonstrator adds to the above
that Mr. Williams got the wonderful re-
sults reported by him from not quite
one bottle of Nerv-Worth and is loud in
praise of the medicine.

T. J. Evans sells Nerv-Worth in New-
ark. Your dollar bag if this family
tonic does not benefit you, get
Neighborhood agencies: Utica Drug
Store, Utica; C. S. Howard, Johnston;
W. P. Ullman, Granville.—Adv. 2-24-26

MAKE HOUSECLEANING MORE SATISFACTORY

With house cleaning time at hand you
need Killo, the modern disinfectant and
insect destroyer. Killo cleans scientifi-
cally. Its fumes are death to moths,
roaches, beetles, ants and all other
other pests that annoy the housekeeper,
while harmless to human beings.
Sprinkle a little Killo in closets, sinks,
drains and wherever else disease germs
or insect life may flourish. Deodorant
and disinfectant in one package. It is
especially fine for chicken lice and
gapes in chickens.

And don't forget that Duffee's Cough
Syrup, the old time remedy, takes care
of spring colds and coughs. Always
keep a bottle of Duffee's Cough Syrup or
your druggist can supply you with both.

Drive Uric Acid From Your System

**WENDELL'S SALTS
AMBITION BRAND**

Most people need an occasional rem-
edy to make the eyes bright, the skin
clear, the stomach strong, and the liver
healthy.

If you're out of sorts, lack of vim,
vigor and "nerp" you'd like to have
try WENDELL'S SALTS, AMBITION
BRAND—the new pleasant effecting
remedy. They start you right in the morn-
ing by helping to cleanse your system
of the dangerous uric acid poison which
is responsible for many human ills.
Indigestion, Biliousness, Headache, Acid
Stomach, Rheumatism and liver trouble
should be quickly relieved after the first
few doses of WENDELL'S SALTS,
AMBITION BRAND. Forget the ail-
ments and miseries that make life a
burden and be your old real self again.
A bottle of WENDELL'S SALTS,
AMBITION BRAND costs only six
cents at T. J. Evans and money will be
refunded on the first bottle purchased
if you are not satisfied. Try this. It's
surely worth while to feel ambitious, to
have the energy which makes you go to
work eagerly in accomplishment to your
satisfaction what you have to do, to
feel again the glow of perfect health,
strength and vigor.—Adv.

Grandma's Remedy Now Sold in
Tablet—Sulphur Tablets.

Many men, women and children need
a Spring Blood Purifier. The blood be-
comes thick with poisons through the
winter months. When spring comes
serious ailments like typhoid, scarlet
fever, coughs, colds, catarrh, neuralgia,
rheumatic pains, loss of appetite and a
sluggish all-in feeling prevail.

This bowels, the liver and the kidneys
need help. The blood needs thinning
and purifying if pimples and boils are
present. Sulphur Tablets quickly re-
lieve constipation and kidney inactivity
and elimination of poisons takes place
and you are made strong and fit for
spring and summer. Grandma gave
sulphur and cream of tartar in molasses.
Now you take them in tablets with
laxative purifying herbs—a better medi-
cine, easy and pleasant to take. Drug-
gists sell them in 6c sealed tubes.

A MAN IS JUST AS YOUNG AND STRONG AS HIS BLOOD

No man can fight the battles of life and hold his own if his blood is not pure, for rich red blood is what strength is based upon. When you see a strong, vigorous man, who never knows when he is licked, you may wonder that such a man has coursing through his veins rich, red blood. Many people have thin, pale blood. They are weak, tire easily, become discouraged quickly, and sometimes feel like giving up the struggle. Such folks need Dr. Pierce's Golden Medical Discovery, which is sold by druggists in liquid or tablet form.

It adds vigor to the heart beats and tones up the nerves in a wonderful way. This "Medical Discovery" of Dr. Pierce's is made from Blood root, Oregon Grape root, Stone root, contains no alcohol—yet tones up the stomach, stimulates the liver and puts the blood making glands in the best of condition. Many people write Dr. Pierce at the Invalids' Hotel in Buffalo, N. Y., as follows:

OAK HARBOR, OHIO.—"I had a very good experience with 'Golden Medical Discovery.' I had been having boils all over my body; my blood was impoverished and in very poor condition. I took the 'Discovery' and it cleared up my blood and so purified it that I have never had any more boils. Dr. Pierce's Golden Medical Discovery is an excellent blood medicine and tonic to build up a run-down system, and I am glad to recommend it as such."
—LOWRIE HARTWELL, Post Office Box 21.

DR. RICHARDS' WORDS SHOW WHY TRUTONA OVERCOMES BAD AFTER EFFECT OF "FLU"

An Appetizer, System Builder, Strengtheners and Real Nerve Tonic, Prominent Physician Declares of Perfect Preparation—What All "Flu" Victims Need.

"As an appetizer, strengthener, system builder and real nerve tonic, I can heartily recommend and commend Trutona."

Dr. J. Richards, the prominent Tennessee physician, in making the foregoing statement, has really pronounced Trutona a remarkable treatment for overcoming serious after-effects of influenza, pneumonia and the like.

Victims of these dreaded winter ailments, after "recovering" from an attack, almost invariably find themselves possessed of little or no appetite and their systems in a dreadfully weakened, run-down and nervous state. Considering Dr. Richards' words it is easy to understand why Trutona has proven such a remarkable remedy for overcoming these bad after-effects. "An appetizer, strengthener, system builder and real nerve tonic"—these are the qualifications that have won for Trutona the unstinted praise of thousands of unfortunate influenza and pneumonia victims who have regained their health through the Perfect Tonic.

"What Others Say."

Mike Hamilton, a traction company employee and well-known Terre Haute, Ind., man, who lives at 418 South Pearl street, enthusiastically praising the reconstructive powers of Trutona, says: "I can hardly realize how much good Trutona has done for me in ridding my system of the after-effects of influenza. I certainly feel different nowadays and I can highly recommend Trutona, especially as an after-the-flu medicine."

Harry Lee, 1561 Gallagher street, Louisville, Ky., a sufferer from the after-effects of pneumonia, says: "I've gained twenty-eight pounds and feel fine now—just like a new man, since taking Trutona," all of which is surely conclusive proof of Trutona's merit.

"I've found Trutona to be very efficient in overcoming after-effects of influenza," declares Mrs. Iva Gates, a well-known Peru, Ind., woman of 155 Canal street.

There are scores of other similar statements and they prove conclusively that there is no better preparation for the treatment of after-effects of pneumonia, influenza, deep-cold and the like than Trutona, the Perfect Tonic.

Trutona is sold in Newark at W. A. Ertman's Drug Store, Adv. 3-1724.

TOBACCO HARDENS THE ARTERIES, OVERTAXES THE HEART AND SHORTENS LIFE

Says Dr. Connor, Who Suggests a Simple Test To Find If It Is Hurting You? Can You Stand It?

New York.—Dr. Connor, formerly of Johns Hopkins hospital, says: Hundreds of thousands of men who smoke and chew and who believe themselves healthy are suffering from progressive organic ailments. They would not have been afflicted had it not been for the use of tobacco and most of them would soon get well if they would only stop the use of tobacco.

The best known habit forming principal of tobacco is nicotine, but the most early and demoralizing is furfural. Both are deadly poisons, which when absorbed by the system slowly but surely affect the nerves, membranes, tissues, vital organs and vitality of the body.

The harmful effect of tobacco varies and depends on circumstances and the individual. In some it causes general debility, others catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of power, cowardice and fear, mental confusion, etc. In others it causes heart disease, bronchial troubles, hardening of the arteries, protrusion of the chest, tuberculosis, blindness, cancer—the common affliction known as the "heart disease."

You use tobacco in any form you desire. It is harmful effects by making the following simple tests. Read aloud a full page from a book. If your voice becomes hoarse, hoarse and in the evening you are frequently coughing, the chances are that your system is being injured by tobacco and it may be the cause of very serious cancer.

Next morning, before you get up, take three flights of stairs at a regular pace. If you find that you are out of breath, if your heart beat is forced, trembling or irregular, you may be the victim of a functional or organic heart trouble. If you feel that you must smoke or chew to quiet your nerves, you are a slave to the tobacco habit and are slowly poisoning yourself with the insidious deadly drugs, nicotine and furfural.

In either case, you have just two alternatives—keep on with your self-poisoning process regardless of the dangers, and suffer the consequences, or rid yourself of the habit and escape the dangers.

You can overcome the craving and stop the tobacco habit in a very short time by using the following inexpensive formula. Get to any drug store and ask for Nicotol. Take one tablet after each meal and in a comparatively short time you will have no desire for tobacco. The craving will have left you. With the nicotine poisoning out of your system your general health will quickly improve.

Note: When asked about Nicotol, one of our leading druggists said: Nicotol is truly a wonderful remedy for the tobacco habit. It is way ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer and we would not permit the use of our name unless the remedy possesses the most up-to-date merit. Nicotol is sold in this city under an iron-clad money-back guarantee by all up-to-date druggists, including T. J. Evans.

Next morning, before you get up, take three flights of stairs at a regular pace. You can overcome the craving and stop the tobacco habit in a very short time by using the following inexpensive formula. Get to any drug store and ask for Nicotol. Take one tablet after each meal and in a comparatively short time you will have no desire for tobacco. The craving will have left you. With the nicotine poisoning out of your system your general health will quickly improve.

Note: When asked about Nicotol, one of our leading druggists said: Nicotol is truly a wonderful remedy for the tobacco habit. It is way ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer and we would not permit the use of our name unless the remedy possesses the most up-to-date merit. Nicotol is sold in this city under an iron-clad money-back guarantee by all up-to-date druggists, including T. J. Evans.

Next morning, before you get up, take three flights of stairs at a regular pace. If you find that you are out of breath, if your heart beat is forced, trembling or irregular, you may be the victim of a functional or organic heart trouble. If you feel that you must smoke or chew to quiet your nerves, you are a slave to the tobacco habit and are slowly poisoning yourself with the insidious deadly drugs, nicotine and furfural.

In either case, you have just two alternatives—keep on with your self-poisoning process regardless of the dangers, and suffer the consequences, or rid yourself of the habit and escape the dangers.

CITY FILES PETITION IN PAYING MATTER

H. C. Ashcraft, representing the city of Newark and the Federal Asphalt Paving Co., of Hamilton, filed a petition in error in the Supreme Court of Ohio Monday. This is an effort to clear up the tangle over the contract for East Main street paving and in case the court acts favorably work can be begun immediately after the decision.

Mr. Ashcraft stated that every effort would be made to expedite the hearing of the petition and that possibly the decision would be rendered within a month or six weeks.

NEW DISTRICT AGENT FOR B. & O. LINES

P. E. White of Columbus has been made district passenger agent for the Baltimore and Ohio Railroad. His territory covers the entire Newark division, and he will have charge of solicitation on foreign lines in Central Ohio and Kentucky.

Mr. White started in the railroad business as an employee in the freight offices in Zanesville about 10 years ago. He was secretary to the district passenger agent four years and has been promoted to city passenger agent, and more recently traveling passenger agent.

GOLFERS TRY OUT LINKS AT COUNTRY CLUB

Golf enthusiasts met in the office of Charlie Hollander in the Arcade last night to talk over the prospects for the season just starting. Several men reported the course at the Country club in fair shape now and many have been taking advantage of the nice weather to get out their clubs and try a round of one of the oldest and cleanest sports in the world.

Plans for a membership drive were formulated. Memberships cost \$35 plus war tax and an initiation fee of \$25 is charged new members.

WORK ON FOUNDATION FOR HALLADAY PLANT

Contractor Ernest Settles has a force of 20 men busy on the concrete work of the Halladay Motor plant and the foundations are just about ready to receive the steel for the structure.

Officials of the company said that a representative of the China Iron Works of Bellevue was here last week arranging for labor and that the steel had been ordered and was on the way here. When the steel is received the work will proceed as rapidly as materials arrive.

FOURTH-STREET UNIT OF PARENT-TEACHERS FORMED

The organization of the North Fourth street unit of the Parent-Teachers' association was effected at a meeting held Tuesday afternoon at the school building, which was attended by 23 mothers.

It is the aim of the organization to have the parents of every child in the school affiliated with the association. The election of officers for the unit took place and Mrs. F. M. B. Windle was named president; Miss Bertie Jones, first vice president; Mrs. F. M. Kidd, second vice president; Mrs. Chandler Tucker, secretary and treasurer.

The committee to draw up the constitution and by-laws is composed of Miss Ambrose, Mrs. Louis Myers and Mrs. W. B. Nye.

The program committee, Miss Avey and Mrs. Lawrence Krieg; membership committee, Mrs. James K. Dewey and Miss Mary Adams.

The next meeting will be held on Wednesday afternoon, March 31 at 3:30 o'clock in the North Fourth street school building.

MENINGITIS CAUSES DEATH AFTER OPERATION

Raymond Louis Sutley, the eight-year-old son of S. E. Sutley, manager of the Delco Light Products company, died at 7:50 this morning at the Private hospital. Death was due to meningitis, which followed a successful operation for mastoids a week ago last Monday.

He was born April 28, 1912, in Pittsburgh, and was a pupil in the second grade at the Woodside school building. The parents and one sister, Grace Leona, aged ten, and a brother, Paul Duffield, aged six, survive. The family lives at 164 Ninth street.

Funeral services will probably be held Friday.

BUCKEYE BRIEFS

Napoleon—A \$100,000 school building bond issue was approved by the voters yesterday.

Coshocton—Strike of telephone operators continues and 300 phones are silent.

Bucyrus—School bonds, \$285,000 at 5 1/2 per cent were awarded to the Detroit Trust company yesterday.

Lancaster—Albert Cheshire, soldier who returned with a European bride, has just obtained a divorce.

Columbus—Greene county Democrats have endorsed Cox for president, Donahy for governor and Julian of Cincinnati for senator.

Columbus—Warren G. Harding will be in Columbus April 12.

Akron—Judge Pardee ordered Geo. Bailey lashed with the same belt he had used in beating his wife. The officer who lashed Bailey used the buckle end of the belt too.

Lorain—Fire destroyed the Y. M. C. A. with \$100,000 loss. Fire Chief Hatt was injured.

Zanesville—The Ohio State Automobile association which will carry the new graduated license fee law to the supreme court, will hold its next convention in Zanesville, May 28.

Yonkers—Warren Rice, 60, was killed last night when struck by a train.

Norfolk—Martin Bates, 5, lost two fingers in a dynamite cap explosion.

Bucyrus—Kate King, 50, school teacher, committed suicide by drinking poison.

Marion—Contract for a new school house was awarded yesterday to Jno. Kilduff.

April will always be remembered as the month in which the United States entered the World War. The Spanish War and the Civil War.

Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3, 30x3 1/2, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water—\$4.50 proof bag.

SCOUTS TRAVEL UNTOLD DISTANCES IN HEAVENS; THEY ARE STAR GAZING

Granville Troop Grabs At Tail of Great Bear and Ladles Maple Syrup With Big Dipper—Take Peek At Solar System Through Big Telescope.

Boy Scouts of Troop 1, Granville, are going about these nights with their noses in the air.

No, it's not a sudden accession of pride over the acquisition of their new cabin—although they do maintain it's some cabin.

Run into a scout any night on the Granville streets—you can't very well help it, some nights—and when he picks himself up he'll doubtless explain to you that he's been trying to get hold of the tail of the Great Bear, or estimating the amount of this year's maple syrup that could be scooped up in the ladle of the Little Dipper.

The troop is stargazing. The thing began last Sunday night, when they went on a "stargazing" trip. The actual ground covered wasn't very great—

about half a mile—but the vertical distances mounted up to something that couldn't be expressed very easily in terms of scout-pace. Prof. Sheets of the astronomy department of Denison University, came down and led the troop gently around several billions of millions of miles of sky, stopping now and then to tighten the belt of Orion or listen to the dim distant yawping of the Dog-star.

Later on a patrol went up to the Observatory, where Prof. Sheets unmooed the big telescope and showed the boys a couple of planets at close range, and the pulsing many-colored lights of Sirius. During the week the troop will be given the Observatory in small groups, taking in this way their ABC lessons in star-study.

TEXAN MAKES STUDY OF RANCH SONGS OF COWBOY

Spends Much Time Among Plainsmen To Gather Material for Collection of Cowboy Ballads.

"If the ocean was whiskey, And I was a duck, I'd dive to the bottom To get a good sup."

So runs one of the lyrics which Dr. John Lomax of the University of Texas, will recite (and they say he does it with true blues "twop") in the course of his lecture tonight at Recital hall, on "Cowboy Songs and Ballads." The lecture is given under the auspices of the Language association of Denison university.

Dr. Lomax spent many years collecting the picturesque material which forms the basis of his lecture. After pursuing higher English studies at Harvard, he became a member of the faculty of the University of Texas, where he conceived the idea of applying the methods he had learned in the graduate school to the study of the life of the cowboy. He had heard often of the cowboy songs, rich in local color and a treasury of the legends of the frontier, but he determined to collect and collate.

To get his material it was necessary to spend much time among the men who sang such songs. It was a rude enough society, but yielded an interesting product. Many of the songs Dr. Lomax recites were first heard in rowdy bar-rooms, in dance halls where the contention of chaperones has not yet made its appearance, and on long rides across the hot dry desert.

When the material was finally collected and the book published, Dr. Lomax was introduced to the world of letters by a less than a personage than Theodore Roosevelt, who provided a preface for the songs which praise them and their collector in no half-way fashion. Since then Dr. Lomax has recited these songs and told stories of the men who sang them in many places throughout the country. Granville is particularly fortunate in being able to secure him this season, while he is making a trip in the middle west.

Y. W. C. A. CABINET TO HAVE DINNER TONIGHT

The annual luncheon given by the old Y. W. C. A. cabinet of Denison university in honor of the new will be held tonight at 7:30 in the Y. W. C. A. building. The advisory board, consisting of Miss Anna B. Peckham, chairman; Miss Charlotte Clark, Mrs. C. W. Chamberlain, Mrs. T. C. Lewis and Mrs. C. T. Brumback, will also be guests.

Dr. Lomax, who is making a trip in the middle west, will act as toastmaster, and the new members will respond with the following toasts:

Annette Eldridge, president, "Editor-in-Chief."

Helen Cheney, vice president, "Proof-reader."

Ruth Welschberger, secretary, "Chief Stenographer."

Grace McCune, treasurer, "Business Manager."

Helen Shumaker, "Student Government."

President, "Vox Pop" Editor."

Theresa Folger, Bible Study chairman, "Church News" editor."

Agnes Russell, Conference and Lecturing chairman, "Stock Exchange" editor."

Margaret Gear, Handbook committee, Literary Editor."

Frances King, Missionary chairman, "Foreign Correspondent."

Helen McCune, Social chairman, "Women's Page" editor."

Louis Jones, Social Service chairman, "Bitty Fairfax."

Ellen Burns, Eight Weeks Club chairman, "Feature Editor."

Sarah Clark, Membership chairman, "Circulation Manager."

Katherine Hunt, Finance chairman, "Subscription Manager."

DENISON GRADUATE IS PASTOR IN DENVER

Dr. Bruce Kinney, who preached last Sunday in the Granville Baptist church, is a graduate of Denison university, of the class of 1917. He is now pastor of a church in Denver. Col. Dr. Kinney has a daughter, Dorothy Kinney, in Granville college. He spoke both morning and evening in a well filled church.

PALM SUNDAY TO BE "GO-TO-CHURCH" DAY

"Go-to-church Sunday" is the new name for Palm Sunday this year in Granville.

Three large churches—the Baptist, the Methodist and the Presbyterian—have combined in a sort of "drive," the object of which is to get everyone to church this coming Sabbath, and after getting them there, to provide such an interesting service that they will not fail to make church attendance a weekly habit.

The spring season of fair weather and open roads has been selected as an appropriate time for the drive, not to speak of the approaching Easter season, which is the real reawakening of the ecclesiastical year.

The Rev. Robert G. Bowden, pastor of the Methodist church, is taking a particularly active part in organizing the details of "Go-to-Church Sunday." He has just taken into his confidence the members of Troop 1, Boy Scouts of Granville, and there promises to be sprung an interesting surprise toward the end of the week.

GRANVILLE POST GROWS RAPIDLY

American Legion Organization Starts With Good Prospects—Seek All Ex-Service Men In Village.

Membership is increasing rapidly in the newly formed Granville Post of the American Legion, launched last Saturday night at a meeting in the community rooms. Already the membership committee, headed by George Good, reports a considerable addition to the roll as it stood at the end of last week.

Not all the ex-service men in Granville have yet signed up for the legion, but it is expected that the majority will do so in the very near future, thus making it possible for Major Clark, who is temporarily directing the organization, to make returns of a good number of members before the state membership drive is over.

Practically all the eligible college men have either joined or signified their intention of doing so within the week. They will of course aim to do so before Saturday, when spring vacation begins. The next meeting of the legion is scheduled for Monday evening, April 5, at the same place. It is hoped that by this time an answer to the application for a temporary charter will have been received, and that it will be possible to perfect the present tentative organization.

Meanwhile a committee, consisting of Prof. Herman Bayle of the history and economics department, and Messrs. "Sig" Jenkins and Woodrow are engaged in drafting a constitution and by-laws for the post.

BUCYRUS BOY WILL EDIT 1921 ADYTUM

Carey G. Cronels, '22, of Bucyrus, has been elected to serve as editor-in-chief of the 1921 "Adytum," the Denison university year book, and Richard M. Tilton, '22, of Cambridge, was elected manager.

The office of editor carries with it an immense amount of work and responsibility. While in Bucyrus high school he served on the board of the school year book, which experience will undoubtedly fit him for his new position.

The adytum board is to be appointed in the very near future, according to Cronels.

ENGLISH CLUB READS OSCAR WILDE'S PLAY

At a meeting of the English club of Denison University, held last night in the home of Dr. R. P. McCutcheon, the first act of Oscar Wilde's "The Importance of Being Earnest" was read by parts, and the action outlined. Miss Treva Locke read the part of Gwendolen, Miss Dorothy and the part of Lady Bracknell, Paul Knight the part of Ernest, and Paul Exman the part of Lane. The program was arranged and rehearsed by Miss Mary Thorne, who is now in Granville at the beginning of the play and cited some of the best lines.

HERE AND THERE IN THE VILLAGE

Prof. F. M. G. Houghton, secretary of Denison University, will preach next Sunday at the Baptist church in East Cleveland. He preached last Sunday in Newark, at the First Baptist church.

Dr. and Mrs. Frank Carney were visitors in Granville at the beginning of the week. Dr. Carney was until two years ago head of the geology department at Denison university, and one of the most popular teachers the university has ever had.

The annual student government meeting at Shepardson college will be held tomorrow night to hear the reports of all retiring boards, which go out on office at the spring vacation. The entire student body of the college will be in attendance. The new board is headed by Miss Helen Shumaker.

Music at last Sunday's vesper recital was furnished by Miss Ethel Jackson, organist, Miss Mary Swisher, violinist, and Miss Mulvroy, pianist. These services have become weekly events.

A meeting of the Granville W. C. T. U. is announced for Friday afternoon at 2 o'clock in the Community rooms.

Mrs. Sarah Myers and Mrs. H. A. Nixon will have charge of the program.

Charles "Sellers," bookkeeper at the Granville bank, has been confined to his home for three days with the mumps. He is now on the way to recovery and is expected to resume his duties shortly.

Girl mill workers in Manchester, England, work 21 hours a week for 11 cents an hour.

GREEK COSTUMES TO BE USED IN COLLEGE DRAMA

Students of Greek Department Give Much Attention To Details In Preparing Play.

Students of Denison University will take part in a Greek play, the Antigone of Sophocles, to be given on the university campus sometime during the latter part of May. The play is under the direction of Dr. R. H. Tanner, dean of the university and professor of the Greek language and literature, assisted by other members of the faculty. The scenery, stage properties, and costumes will be true to the ancient Greek characters as the play was presented for the first time at Athens in 440 B. C. It will be given, however, in Campbell's English translation.

A full orchestra using Mendelssohn's music will be under the direction of Mr. Bennett, professor of music in the conservatory. A chorus of 15 girls chosen by Mrs. Fitch, head of the voice department, and Miss Brillhart, head of the department of physical education in Shepardson college, will present singing and dancing.

The title role will be played by Miss Ethel Bogardus of Shepardson, Washington, and the part of the leading man, Creon, King of Thebes, will be played by T. F. Adams of Brooklyn, N. Y. The part of Haemon, the lover of Antigone, which is a reasonably prominent part, will be played by Carol Wright, son of the Rev. and Mrs. E. J. Wright of the county.

Mr. Wright is a junior this year, and is pursuing the classical course of study. He will be the only local man in the cast. Wright is active in college athletics, and prominent in track. He is a member of the "D" association, the Classical club, and the Sigma Alpha Epsilon fraternity.

FRATS TO GIVE Y. M. C. A. CIRCUS

Seven Chapters of Denison To Present Annual Show at Granville Opera House.

The annual circus of the Y. M. C. A. of Denison university will be held in the Granville opera house Thursday evening, given by the seven fraternities and the Commons club of the University.

The circus is presented under the auspices of the social committee of the Y. M. C. A. with Gordon Hamel as chairman. The men of each social group present their own acts under the leadership of one of their men selected for the purpose, and the performances of the various organizations are entirely independent of each other.

The acts as presented are in the nature of a contest and are for the most part farces on Shakespeare or other gems of literature, or comical sketches from everyday life. The winners will be determined by five judges selected from the faculty of the university and the business men of Granville.

It was originally intended to present the circus earlier in the winter but for various reasons it has been postponed until the present date. Consequently the various groups have had a much better opportunity for rehearsals and the circus bids fair to be one of the most successful events of the winter.

The ticket sale at the opera house was almost entirely taken up by the various organizations at the opening of the ticket sale at Elman's drug store of Granville. Tickets may still be obtained however on either side or in the balcony.

REFUSE \$5,000,000 FOR ART

German Government Cannot Sell Altar Piece to America—Belongs to Belgium.

Berlin.—An offer of \$5,000,000 has been made by an American to the German government for sections of the famous altar piece painted by Jan and Hubert Van Eyck, formerly in the Cathedral of St. Bavon, Ghent, and now in the Berlin museum, says the Tagblatt.

It is said the government cannot accept the offer, as the treasure must be returned to Belgium, under the terms of the Versailles treaty.

Germany, however, must pay the Hohenzollern family for this work of art as a part of the settlement for the taking over of royal holdings, the newspaper says.

LABORERS BUY \$25 SHIRTS

New York.—Louis B. Tim, silk shirt manufacturer, reports silk shirts selling at \$25, "and the peculiar thing about it," he said, "is that we sell more of these shirts to workmen than we do to millionaires."

REMARKABLE!

Little Robert was visiting his aunt, who lived in the country. One afternoon, having nothing to do, he walked to the barn to watch the milking process. One of the maids was milking a black cow. Seeing this, little Robert exclaimed: "A black cow and white milk!"

"ARSENAL" AN ARABIC WORD

"Arsenal," as most people are aware, is one of the very few English words taken direct from the Arabic. Its adoption takes us right back to the days of the Crusades. Diction Post.

DAYTON AIRPLANE HAS MISHAP NEAR VILLAGE

One of the government's flying machines from McCook field, Dayton, was slightly damaged yesterday at Union Station. As the machine was about to leave the ground it struck a mud hole and after running into a fence turned turtle. It was piloted by Lieutenant H. A. Lyons of Idaho, and Lieutenant A. L. Johnson of Granville was the observer. Neither was hurt.

The airplane, a Curtiss JN6HG, was on a distance radio test and landed at the Deeds field for gasoline during the morning. The aviators tried several times to take the air but owing to the heavy condition of the field were forced to look for higher and dryer ground. They found a suitable place only to have the fates decide against them, for just as they left the ground the lower plane struck an extra high fence post and the plane made a neat turn into a plowed field.

The machine will be repaired at Deeds field and taken back by Lieutenant Johnson in a few days. Lieutenant Lyons went back to McCook field last night by train to make his report. Lieutenant Johnson remained at Granville to look after the plane and is staying at the Lambda Chi Alpha house.

FACULTY WOMEN ORGANIZE CLUB

Mrs. Clara Brumback Is Named President of Organization To Look After Social Needs of Students.

The Women's Faculty club of Denison university adopted a definite program at a meeting held last Tuesday evening in Shepardson college, at which Miss Annie M. MacNeill of the English department, reported for a previously appointed committee on the need for such a club and the purpose which it would attempt to serve.

These were, briefly, the consideration of matters of policy in relation to the women of the college, and the care of the intellectual and social needs of the students. While the aims, as outlined, appear somewhat general, very definite problems will come up for consideration by the club, which includes practically all the women on the faculty and staff at Denison.

The officers of the club are: President, Mrs. Clara M. Brumback, dean of Shepardson college; vice president, Miss Anna B. Peckham, associate professor of mathematics; secretary, Miss G. L. Robinson of the French and English departments; treasurer, Miss Miriam Akers of the Greek department.

BRITISH TO STAY-IN TURKEY

Government Cancels Decision to Withdraw Troops After Non-Moslem Massacres.

Constantinople.—Decision to withdraw British troops from Batum has been cancelled according to information received here.

Circulars urging that attacks on non-Moslem people be prevented have been sent to the provincial authorities by the Ottoman minister of the interior. He bases his appeal on the ground that such attacks prejudice the good disposition of the powers toward Turkey.

The circular is a result of a warning from the British high commissioners who declared that failure of the Turks to accord non-Moslem elements adequate protection would lead to a modification of the supreme council's most recent decision regarding Constantinople which would be less favorable to the Turks.

Russian Soviet Rulers Print Spurious Money

London.—The Russian soviet government has succeeded, according to a prominent British banker, who has just returned from Russia, in turning out from its government printing press a perfect "Bradbury" English one-pound note.

"Their five-pound notes are almost perfect, but can be detected by bankers," the banker added, "but the one-pound note is a work of art, and there is apparently no reason in the world why millions of them could not be printed and successfully passed."

This should be interesting news to England, in view of the present financial exchange crisis, but so far no English newspaper has published the item.

CURIOSITY REWARDED

Walking along the sands of Weymouth this autumn (twice a correspondent), I saw a corked bottle which had been washed up by the tide. There was a piece of paper inside, so I drew the cork and tried to extract it; but at last, getting impatient at the way it eluded me, I broke the bottle and the message was revealed: "Whoever finds this bottle will find all the beer gone."—London Post.

BAKES WITH AIR AND DUST

A French inventor's smoke consumer for kitchen ranges admits air, superheats it and combining it with the coal gases and dust, causes them to burn.

BARBADOES, MOST INTERESTING OF ALL WEST INDIES ISLANDS, THICKLY POPULATED

Washington, D. C., March 24.—"Barbadoes is one of the most interesting and less well-known of the possessions, which William G. McAdoe would have Great Britain offer in part payment of her debt to the United States," says a bulletin from the National Geographic Society.

"Pear-shaped, solitary, farthest east of the West Indies, Barbadoes generally is accounted the most beautiful of the group, and though it is the most populous country in the world, per square mile, except China, and George Washington carried to his grave the marks of the smallpox contracted on a visit there."

"The island—there is but one despite the misleading plural name—is but an eighth the size of our Rhode Island, but has twice as many inhabitants per square mile as our smallest and most densely populated state, Connecticut."

"Seldom does a volcano become an asset. Volcanic eruptions have contributed largely to the fertility of Barbadoes. When the sun was obscured throughout one day in May, 1912, the Barbadoes were panic-stricken, but when the gentle rain of black dust subsided, the deposit was found to be ashes from an eruption of St. Vincent Soufriere, nearly 100 miles to the west, which enriched the soil."

"Long before that time, though, Barbadoes was productive. Oldest of British colonial possessions except New Foundland, it also was the first place in the British Empire where sugar cane was planted. Its average crop of this now high-priced commodity is 50,000 tons. It also has 2,000 acres planted in sea-island long-staple cotton; raises 40,000 bunches yearly of the Chinese banana, and exports molasses."

"There are no volcanoes on Barbadoes; nor are there any streams of approachable size. Water seeps through the porous soil and reaches sea by underground channels. Bathing at Freshwater Bay are apt to experience a rocking sensation on the surf sands, like that at some of the trick amusement devices of Coney Island or Luna Park. The undulations underfoot mark the outlets, below sea level, of these subterranean streams."

"One phenomenon of Barbadoes has not been accounted for. For years the so-called 'Barbadoes Coffin Story' furnished a mystery which would interest present day psychic investigators. In the yard of a church near Oistins' town is a churchyard burial vault, hewn from rock and arched with cemented stone. A woman was buried there in a lead coffin, according to Barbadian custom. Several years later when the vault was opened again to receive another body, the coffin had been removed from its original position. Upon the second occasion special precautions were taken to seal the vault. Several times thereafter, though seals were unbroken, and there seemed no other mode of entering the solid rock and masonry, the coffins were displaced. Finally the mouth of the vault was cemented, and when it was time to receive another body, officials of the island and an immense crowd gathered for the ceremony. Once more all the leaden caskets were found to have been disturbed and the family had their dead removed to another burying ground. No satisfactory solution of these strange occurrences has been offered."

"Bridgetown, the island capital, is a hot, dusty city of about 50,000 people. It is especially busy on Fridays when planters flock to town for business and buying its cathedral was built principally by funds obtained from a lottery authorized by the legislature, after the original building had been blown down by a hurricane in 1780."

"A natural curiosity of Barbadoes is the 'Animal Flower Cave,' the so-called flowers being sea worms. Not so agreeable are the Maunchieel, or poison trees, and the chores, whose leaves blister the skin and contaminate the water."

"Labor is so plentiful that men compete with beasts of burden. But this condition was greatly improved by the use of considerable Barbados labor in building the Panama Canal."

SUMMIT STATION

Mrs. J. D. Holcomb has the flu. Earn McIntosh went to Columbus Saturday to see his daughter, Miss Lucy McIntosh, who has been at Grant hospital for treatment and is now at the home of her uncle and aunt, Mr. and Mrs. H. A. McIntosh.

Mrs. W. S. Griffith is visiting her daughter, Mrs. Elmer Hughes, in Columbus.

W. T. Swisher and family were Sunday guests of Mr. and Mrs. William Alberly in Hedge street.

John Cowen has moved on the Tusling farm on East Broadway.

Lewis Winters has moved into the J. D. Thary property at Fairview.

Mrs. Bert A. Alberts spent Thursday night with her sister, Mrs. Elmer Hughes in Columbus.

Mr. and Mrs. Rollie Link of Columbus were guests Saturday of Mr. Link's mother, Mrs. Noe Link in West Main street.

Edgar Steward of Columbus took Sunday dinner with his brother, Clyde Steward and family.

Mrs. Florence Geissick and sister, Miss Lena Myers of Columbus, called on friends here Sunday afternoon.

Mr. and Mrs. O. A. Rusler are at Towner, N. D., looking after the estate of Charles Hills.

Mrs. Blanche McNaughten of Reynoldsburg and Mr. Berntice Holmes of Columbus called on their parents, Mr. and Mrs. J. D. Holcomb, Monday.

Mrs. Lena Shannon has moved on her farm north of town, and Mr. and Mrs. Thomas have moved into the house vacated by Mrs. Shannon.

Mrs. Noe Link has moved in her newly purchased property in Cleveland street.

The Ladies Aid society have asked that any one having papers and machines to bring them to the church basement.

The Kiel Canal

Kiel canal is also variously known as the North sea or Baltic canal. The name Kiel is misleading in that it is nearly two miles north of the city of Kiel, at Holtenau, although the canal's eastern terminus is in Kiel harbor. It extends to Brunsbuttel on the Elbe, cutting across the base of the peninsula which contains Denmark and most of Schleswig-Holstein. Canal locks are used principally to neutralize the tides. Passage through the canal takes a steamer eight or nine hours, with the entire length electrically lighted.

The Potato Peeler

The Potato Peeler is now in the market in the field, with headquarters at Chicago. The union scale is \$2 a day and meals.

SMOKESTACKS

How the Chamber of Commerce gets 'em.
What Newark Must Do to Keep Smokestacks both OLD and NEW.
Come to the Big Chamber of Commerce
Smokestack Dinner
at the Masonic Temple, Thursday evening, March 25th at 6 o'clock
Secure tickets from Chamber of Commerce workers who are all about you.
BUY EARLY as reservations may all be taken unless you hurry.
Dr. D. Frank Garland of Dayton, Ohio, the chief speaker. He is Director of Public Welfare at Dayton and used extensively by the American City Bureau for Campaigns.
Tickets 75 cents.

TAKE ASPIRIN AS TOLD BY "BAYER"

"Bayer" introduced Aspirin to the physicians over 18 years ago.

To get quick relief follow carefully the safe and proper directions in each unbroken package of "Bayer Tablets of Aspirin." This package is plainly stamped with the safety "Bayer Cross."

The "Bayer Cross" means the genuine, world-famous Aspirin prescribed by physicians for over eighteen years. "Bayer Tablets of Aspirin" can be taken safely for Colds, Headache, Toothache, Rheumatism, Neuralgia, Lumbago, Rheumatism, Joint Pains, Neuritis and Pain generally.

Handy tin boxes of 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monacetaicacidester of Salicylicacid.

At the time of the armistice the American army was holding 21 percent of the front line, the British 15 percent.

ZEMO STOPS ITCHING, BURNING ECZEMA

A CLEAN ANTISEPTIC LIQUID

The very first application of clean, liquid ZEMO stops itching and burning skin. Eczema and most forms of itching and burning skin troubles usually start to heal, and in a short time yield to this soothing, antiseptic wash.

If you have used many salves and greasy lotions, try one 35c trial size, or extra large bottle of ZEMO for \$1.00, and see the difference between a smear and a clean, efficient and economical treatment for your skin.

ZEMO SOAP is healing and should be used with ZEMO in aggravated cases.

The E. W. Rose Co., Cleveland, O.

Dandruff Heads Become Hairless

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and run it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single dandruff and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

Twenty-Five Years Ago

(From Advocate, March 24, 1895.)

The new telephone exchange will be put in operation next Monday.

The colonial division of the high school will give a literary program at the high school Monday.

A public installation of the officers of Sheridan Circle was given last evening.

A. R. Pitzer went to McKean township today to survey some land.

Fifteen Years Ago

(From Advocate, March 24, 1905.)

The Newark high school ball team defeated North high of Columbus last night in the Y. M. C. A. gymnasium by a score of 28 to 18.

The directors of the telephone company met Thursday night and declared the regular one per cent quarterly dividend on common stock, payable April 1.

Miss Olive McCull, who formerly lived in Newark, has been elected a teacher of French at the National Cathedral School of Washington, D. C.

DENNIS.

Sunday school will be organized at Dennis next Sunday morning.

Clyde Ashcraft and Frank Hall, who were jurors at the Bryant trial in Mt. Vernon, have returned home.

Miss Mable Hall spent Sunday with Miss Alice Miller.

Mrs. Leora Scott, who has been suffering with a broken ankle for the past two months, is able to sit up. The family expects to move to the Jack Beatty farm, Saturday.

Mrs. Edward Mizer of Esto was buried at New Castle, Sunday.

The men in this community are busy shearing sheep.

Mrs. R. A. Mizer and son Kermit spent a few days with her parents. Mr. and Mrs. Allen Cessna of Mt. Pleasant. Mrs. Howard Rine who has been ill with an attack of appendicitis is improved.

Mr. Everett and sister Alice attended services at Gladensburg, Sunday evening.

Miss Emma Crider returned to her home in Mt. Vernon after a few days visit with friends here.

GOSHEN.

Rev. Mr. Koppert filled his regular appointment at Goshen, E. church at 2 o'clock, Sunday afternoon.

On account of bad roads John G. Frampton, the mail carrier from Black Run, R. D. 1, was unable to make the entire trip for several days the past week.

Misses Hilda and Eula Ashcraft spent Sunday with Osa Barcus.

Allen Cessna was a business caller in Frazersburg, Saturday.

George Dugan has purchased the Belle Dunlap property and will move there soon.

There is a case of diphtheria closed for a week on account of the illness of the teacher, Miss Doris Ashcraft.

Miss Annie Martin spent Wednesday with Miss Violet Gault.

KILLED BY AUTOMOBILE.

Canton, March 24.—Michael Petros, aged 7, son of Nicholas Petros, confectionery proprietor, was instantly killed when he was struck by an automobile driven by Eugene Loomis last night. It was the first fatal traffic accident of the year here.

Ambiguous.

Wife: Is that you, Henry?
Hub: Yes, dear.
Wife: Oh, I'm so glad. I'm always afraid there's a man in the house till you come.—Boston Transcript.

What to do for
Indigestion

"Pape's Diapiesin" by neutralizing the acidity of the stomach, instantly relieves the food souring and fermentation which causes the misery-making gases, heartburn, flatulence, fullness or pain in stomach and intestines.

A few tablets of "Pape's Diapiesin" bring relief almost as soon as they reach the stomach. They help regulate disordered stomachs so favorite foods can be eaten without distress—Costs so little as drug stores.—Adv.

ORDINANCE NO. 3084.

By MR. RIGGS.

Amending Section 1. of Ordinance No. 2884, an Ordinance "Fixing the time under which the City of Newark, Ohio, shall operate."

Be it Ordained by the Council of the City of Newark, State of Ohio:

Section 1. That Section 1. of Ordinance No. 2884 be and hereby is amended so as to read:

That Eastern Standard time be and is hereby declared to be the official time of the City of Newark, Ohio, beginning with the last Sunday in March until the last Sunday in September inclusive, of each year, and beginning with the first Monday after the last Sunday in September until the last Sunday in March of each year. Central Standard time shall be the official time under which the City of Newark shall operate.

Section 2. That Section 1. of Ordinance No. 2884 be and the same is hereby repealed.

This Ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed March 1st, 1920.

H. H. SCOTT,
President of Council.

GEO. H. HAMILTON,
Clerk of Council.

LEGAL NOTICE.

State of Ohio, Licking county, ss.
In Common Pleas Court.
No. 1920-6
Alice Lennex Plaintiff
vs.
Henry S. Lennex, Defendant.

The above named defendant, Henry S. Lennex, is hereby notified that on the twenty-fifth day of February, 1920, the undersigned, Alice Lennex, in the above entitled action, filed in the Common Pleas Court of Licking County, Ohio, her petition charging the defendant with extreme cruelty and praying for a divorce from the said defendant. The above named defendant will take notice that he will be required to answer thereto on or before the eighth day of April, 1920, and that said cause will be for hearing at any time after said date.

Alice Lennex,
McDonald and Shbaugh, Attorneys.

RESOLUTION NO. 953.

By MR. REDMAN.

Declaring it necessary to construct sidewalks on McKinley Avenue, Wing street and Madison Avenue in the City of Newark, Ohio.

Be it resolved by the Council of the City of Newark, State of Ohio:

Section 1. That sidewalks shall be constructed on the North side of McKinley Avenue between Oakwood Avenue and the west line of Madison Avenue, on both sides of Wing street between McKinley Avenue and the alley running east and west at the end of said Wing street and on the west side of Madison Avenue between the North line of McKinley Avenue and the alley forming the end of Wing street, in accordance with the plans and specifications therefor on file in the office of the Director of Public Service, which are hereby approved and in conformity with Ordinance No. 2137 entitled "To establish the width of sidewalks and the mode of constructing same and fixing the penalty for violation thereof," Passed June 5th, 1911.

Section 2. That the Clerk of Council be and is hereby directed to cause a written notice of the passage of this resolution to be served according to law.

Section 3. That in the event of the failure, neglect or refusal of the property owners abutting on said improvement to construct said sidewalks within the time limited by law, the Director of Public Service is hereby authorized to do said work, or have said work done, and all such expense shall be assessed on the property abutting on said improvement.

Section 4. This resolution shall take effect and be in force from and after the earliest period allowed by law.

Adopted March 15th, 1920.

H. H. SCOTT,
President of Council.

GEO. H. HAMILTON,
Clerk of Council.

Approved by the Mayor this 16 day of March, 1920.

H. A. ATHERTON, Mayor.

RESOLUTION NO. 956.

By MR. RIGGS.

Declaring it necessary to improve the first alley north of Church Street between Ninth Street and the first alley east of Flory Avenue, by constructing a sewer therein.

Be it resolved by the Council of the City of Newark, State of Ohio, three-fourths of all the members elected thereto concurring:

Section 1. That it is necessary to improve the first alley north of Church Street between Ninth Street and the first alley east of Flory Avenue, by constructing a sewer therein according to plans, specifications, estimates and profiles of the proposed improvement prepared by the Civil Engineer now on file in the office of the Director of Public Service, which are hereby approved and in conformity with Ordinance No. 2137 entitled "To establish the width of sidewalks and the mode of constructing same and fixing the penalty for violation thereof," Passed June 5, 1911.

Section 2. That the Clerk of Council be and is hereby directed to cause a written notice of the passage of this resolution to be served according to law.

Section 3. That in the event of the failure, neglect or refusal of the property owners abutting on said improvement to construct said sidewalks within the time limited by law, the Director of Public Service is hereby authorized to do said work or have said work done, and all such expenses shall be assessed on the property abutting on said improvement.

Section 4. This resolution shall take effect from and after the earliest period allowed by law.

Adopted March 15th, 1920.

H. H. SCOTT,
President of Council.

GEO. H. HAMILTON,
Clerk of Council.

Approved by the Mayor this 16 day of March, 1920.

H. A. ATHERTON, Mayor.

RESOLUTION NO. 957.

By MR. RIGGS.

Declaring it necessary to improve Merchant street from Eleventh street to Thirteenth street by curbing and paving the roadway thereof.

Be it resolved by the Council of the City of Newark, State of Ohio; three-fourths of all the members elected thereto concurring:

Section 1. That it is necessary to improve Merchant street from Eleventh street to Thirteenth street by curbing and paving the roadway thereof in accordance with the plans, specifications and profiles of the proposed improvement prepared by the Civil Engineer, now on file in the office of the Director of Public Service, which are hereby approved and in conformity with Ordinance No. 2137 entitled "To establish the width of sidewalks and the mode of constructing same and fixing the penalty for violation thereof," Passed June 5, 1911.

Section 2. That the Clerk of Council be and is hereby directed to cause a written notice of the passage of this resolution to be served according to law.

Section 3. That the grade of said street shall be as follows: The grade of the north curb shall be as described as follows: Commencing at the West line of Eleventh Street at an elevation of 124.03 feet above the established datum of the City of Newark, which elevation is the elevation of the curbing now existing at this point, thence West by a straight grade 156 feet to a point at an elevation of 127.22 feet, thence West by a vertical curve 156 feet to a point at an elevation of 131.64 feet, thence West by a straight grade 272 feet to a point at an elevation of 131.64 feet, thence West by a level grade to a point 20 feet East of the East curb line of Thirteenth Street, thence Northwesterly an arc of a circle of 30 feet radius to the East curb line of Thirteenth Street at an elevation of 134.54 feet. The grade of the South curb shall be as described as follows: Commencing at the west line of Eleventh Street at an elevation of 123.5 feet which is the elevation of the curbing now existing at this point, thence West by a straight grade 156 feet to a point at an elevation of 127.22 feet, thence West by a vertical curve 156 feet to a point at an elevation of 131.64 feet, thence West by a straight grade 272 feet to a point at an elevation of 131.64 feet, thence West by a level grade to a point 20 feet East of the East curb line of Thirteenth Street, thence Northwesterly an arc of a circle of 30 feet radius to the East curb line of Thirteenth Street at an elevation of 134.54 feet. The grade of the center line shall be parallel to and one foot lower than a line at the mean elevation of the curbs, as shown on the plans and profiles now on file in the office of the Director of Public Service.

Section 4. That the whole cost of said improvement, less one-fifth thereof, and the cost of intersections shall be assessed by the foot frontage upon the following described lots and lands, to-wit: All lots and lands bounding and abutting upon the proposed improvement which said lots and lands are hereby determined to be specially benefited by said improvement and the expense of printing and publishing notices, resolutions and ordinances required, and the serving of said notices, the cost of construction, together with the interest on bonds issued in anticipation of the collection of deferred assessments and all other necessary expenses.

Section 5. That the assessments so to be levied shall be paid in twenty (20) semi-annual installments with the interest on the deferred payments at a rate not to exceed six (6) per cent per annum, provided that the owner of any property assessed may at his option pay such assessments in cash within thirty days from and after the passage of the assessing ordinance to the City Treasurer; in which case said cash assessments shall not include any item of interest upon bonds to be issued in anticipation of the deferred assessments and all other necessary expenses.

Section 6. That the bonds of the City of Newark, Ohio, shall be issued in anticipation of the collection of assessments by installments and in the amount equal thereto.

Section 7. That the remainder of the entire cost of said improvement not specially assessed, including cost of intersections and the damages awarded any owner of adjoining lands and interests therein and the cost and expense of any such award shall be paid by the issuance of bonds in the manner provided by law.

Section 8. This resolution shall take effect and be in force from and after the earliest period allowed by law.

Adopted March 15th, 1920.

H. H. SCOTT,
President of Council.

GEO. H. HAMILTON,
Clerk of Council.

Approved by the Mayor this 16 day of March, 1920.

H. A. ATHERTON, Mayor.

RESOLUTION NO. 952.

By MR. KEYES.

Declaring it necessary to construct sidewalks on the North side of Maholm Street between South Williams Street and West Main Street.

Be it resolved by the Council of the City of Newark, State of Ohio:

Section 1. That sidewalks shall be constructed on the North side of Maholm Street between South Williams Street and West Main Street in accordance with the plans and specifications therefor on file in the office of the Director of Public Service, which are hereby approved and in conformity with Ordinance No. 2137 entitled "To establish the width of sidewalks and the mode of constructing same and fixing the penalty for violation thereof," Passed June 5, 1911.

Section 2. That the Clerk of Council be and is hereby directed to cause a written notice of the passage of this resolution to be served according to law.

Section 3. That in the event of the failure, neglect or refusal of the property owners abutting on said improvement to construct said sidewalks within the time limited by law, the Director of Public Service is hereby authorized to do said work or have said work done, and all such expenses shall be assessed on the property abutting on said improvement.

Section 4. This resolution shall take effect from and after the earliest period allowed by law.

Adopted March 15th, 1920.

H. H. SCOTT,
President of Council.

Returns From Cleveland.
 The Sunday school teachers and personal workers of the East Main Street church have been called by the pastor, Rev. J. Emory Walter, to meet at the church at 7 o'clock this evening for counsel and prayer.

Program at Church.
 The women of the West Side Church of Christ are issuing an invitation for the public to come to the church Thursday evening where an interesting program will be given. Among the things arranged the women will tell "How the Story comes". Meeting is postponed.

There will be no meeting of the high school unit of the Parent-Teachers' association tomorrow. The meeting will be held the last Thursday in April.

The roof of the new Carroll building on Hudson avenue has been started by Contractor Fred Hawkins and the building is expected to be finished August 15.

Miss Mary Waters, who recently resigned her position as cashier at the Deacon Market, has taken a position in the U. O. Stevens news stand in the Arcade.

Tenth Street Church.
 A congregational meeting will be held at the Tenth Street U. B. church, Thursday evening at 7:30 o'clock. Dr. Camp, home mission secretary, will preside and speak on "The New International Church World Movement" and "Our New Church".

Leg Broken While Skating.
 Mrs. Nellie Place suffered a fracture of the small bone just above the ankle Monday evening when she fell while roller skating. Tuesday she was removed in the Bradley ambulance to the office of Dr. Leland Baxter, where an x-ray was taken of the injury, and she was taken back to her home, 572 Woods avenue.

Braunhold and Mr. Steinman has taken possession.

Has Bloodpoison.
 Mrs. Samuel Parr, living three miles southeast of the city, is in a critical condition due to blood poisoning. Mrs. Parr scratched her hand on a tack while using a churn last week and the poison has spread over the entire body.

Missionary Meeting.
 The Missionary Society of Plymouth Congregational church will meet Thursday afternoon at 2:30 o'clock with Mrs. James Dicks, 230 Granville street.

Granville Grange to Meet.
 The Granville Grange will meet Friday evening in Odd Fellows hall. There are about 37 candidates and first and second degree work will be given.

Birth Announcement.
 Mr. and Mrs. Lawrence McWilliams announce the birth of an eight-pound son, Robert Lawrence, Tuesday, at the home of Mrs. McWilliams, parents, Mr. and Mrs. James Rafferty, in Curtis avenue. Mr. and Mrs. McWilliams live in Piquette.

Condition to Improve.
 The condition of Dennis Linehan, who has been seriously ill at his home in South Third street, continues to improve.

Salary Litigation Concluded.
 Final settlement was made this morning in municipal court to Jessie Baldwin and Holba G. Mitchell, former sanitary police, for salary with interest from December 31, 1919. They received \$350 each with interest from December 31st.

Star Grocery to Move.
 The Church street branch of the Star grocery, which has occupied the room in the Union block at Fourth and Church streets, will move to 11 North Fourth street. The room adjoining the Boggs meat market on the north.

Condition Improved.
 The condition of J. P. Lamb, Sr., who has been quite ill at his home east of the city, is much improved.

Fireman Returns.
 Walter Reinholder of the Central Fire company, returned yesterday from a three-day visit to Springfield, where he was visiting friends.

Former Leases City.
 Eppie F. Center of St. Clair street will leave this evening for Dunkirk, Ind., where he has taken a position in a glass plant there.

Ancient Uses of Rings.
 One of the earliest uses to which rings were put was to make an impression of an engraved design or device upon letters or documents. Whenever an ancient monarch wished to give validity to a certain royal decree, he would take off his huge seal ring and make an impression with it upon the document. A curious superstitious use to which signet rings were put is told in Plutarch's Lives. A number of signet rings were thrown into a heap, and one was pulled out at random, the design which the signet bore being interpreted as a favorable or unfavorable omen.

Vitrimount is the first town in France to be entirely reconstructed by Americans.

CHINA'S HETTY GREEN

Mrs. Yone Suzuki.

Mrs. Yone Suzuki of Japan is called the richest woman in the world or the Hetty Green of the Orient. She has an estimated fortune of from \$150,000,000 to \$200,000,000. She was left a widow with two young sons twenty years ago. Since that time she has developed her husband's business, exporting until she is now an importer as well and she controls a great steamship line, the ships of which sail the seven seas. These ships carry goods from her own factories to markets all over the world.

OBITUARY

Mrs. Geneva Bebout.
 Mrs. Clara Geneva Bebout, aged 42 years, and widow of Ira Bebout, died this morning at 1:15 at her home, 37 East Channel street, of a complication of diseases. She was born in Licking county and was the daughter of W. W. Miller. Her husband died a little over a year ago. Surviving are two sons, Lora of the home and Emmett of this city.

Funeral services will be held Friday afternoon at 2 o'clock in the home and burial will be made in Evans cemetery in St. Louisville.

George M. Gill.
 Funeral services for George M. Gill were held this morning at 10 o'clock in the home in Nashport and burial was made in Hanover cemetery.

Mrs. Byrie Parsons.
 Funeral services for Mrs. Byrie Parsons were held this afternoon at 1:30 in the Chatham Methodist church and burial was made in Hanover cemetery.

Miss Lenna Hart.
 Miss Lenna Fern Hart, aged 39 years, and daughter of Mr. and Mrs. Leo M. Hart, died Tuesday afternoon at her home, 76 High street. Death was due to a long illness of complications. Miss Hart returned from Phoenix, Arizona, in January, where she was with her mother.

had gone six months before for the benefit of her health. She was a graduate from the Newark High school with the class of 1918.

Surviving are parents and one brother, John Hart, of the home. Funeral services will be held Friday afternoon at 2 o'clock in the home. Rev. C. H. Stull will officiate and burial will be made in Cedar Hill cemetery.

Mrs. Rebecca Ashcraft.
 Mrs. Rebecca Ashcraft, 74, a well known resident of Frazesburg, died at her home there at 2:30 o'clock Tuesday afternoon after an illness of one week from a complication of diseases. She was a member of the Fairview M. E. church and is survived by eight children: Grant, Merve, Clinton, Joseph, Ray and Mrs. Woolford of Frazesburg, Mrs. Wright of East Union and Mrs. M. L. Gildow of Newark. She is also survived by one sister, Mrs. Clifford Collins, of Fredericktown. Funeral services will be conducted at the Frazesburg M. E. church at 2 o'clock Thursday afternoon by Rev. Mr. Koopert, burial in the Frazesburg cemetery.

George M. Gill.
 George M. Gill, 69, died at 4:30 o'clock Monday afternoon at his home on the Newark road, near Nashport, of Bright's disease. He had been in declining health for several months. Mr. Gill was one of the prominent residents of the vicinity of Nashport and had been engaged in farming practically his entire life. He was a member of the Masonic lodge of Nashport and of the M. E. church there. He is survived by

his wife and three sons: Martin Gill of the home and Harry and Ralph Gill. Funeral services were conducted at the home at 10 o'clock Wednesday morning by Rev. R. O. McClure of Zanesville. Burial in the Hanover cemetery.

Mrs. L. A. Scheffer.
 Funeral services for Mrs. L. A. Scheffer were held this morning at 10 o'clock in St. Paul's Lutheran church. Rev. G. Bohon Schmitt officiated and burial was made in Evans cemetery in St. Louisville.

COMPANY B TO PLAN TRIP TO ENCAMPMENT

At a special meeting of Company B, Old Guard, called for Thursday afternoon at 4 o'clock, plans will be made for the annual encampment at Atlantic City. The members of the drum corps will attend the meeting.

LEGION WILL HOLD IMPORTANT MEETING

The American Legion will hold an important meeting Thursday night at 7:30 in the G. A. R. hall. Reports on the membership campaign will be heard and the entertainment committee will present good fun and cats.

DONALD VAIL WEDS DAYTON GIRL IN TEXAS

The marriage of Miss Lucille Sells, of Dayton, and Mr. Donald Vail, formerly of Newark, will be solemnized today at Waco, Texas.

After returning from service overseas with the quartermaster corps, Mr. Vail went to the National Cash Register school at Dayton. There he met Miss Sells. He was then employed by the National Cash Register company at Waco, Texas, and his bride-to-be went there, where the wedding will take place.

Mr. Vail is the son of Mr. and Mrs. George Vail, of North Fourth street.

THIRD DEATH IN ONE FAMILY IN 6 WEEKS

Professor and Mrs. H. F. Moninger of North Sixth street left today for East Live pool to attend the funeral of Mr. Moninger's mother, who died yesterday. The funeral will be Thursday afternoon. This is the third death in the family in the last six weeks as Mrs. Moninger lost two brothers in that time.

LUMBER COMPANY AIDS HOME BUILDERS

Among the companies which have shown a rapid growth since locating in Newark is the R. B. White Lumber Company, which yesterday increased its capital stock from \$125,000 to \$250,000.

This increase was made owing to the rapid growth and expansion of the company. Branch yards are now in operation at Granville, Utica and Westerville.

In order to care for the increased business, a second story has been added to the offices in Clinton street which are the general headquarters of the company. The auditing and buying for the concern are done by R. B. White. The personnel of the organization has been made to include R. S. Walton of Kansas City as local retail manager; Miss Edith Emmert of Marysville as auditor; E. H. Burch, assistant yard manager, is well known in Newark, having been with the company since its organization five years ago.

The Newark branch has greatly enlarged its stock to cover everything in the building line, brick, back up tile, and sewer pipe have been added recently, and the company has for some time conducted a large cement and lumber business.

An unusual feature of the new offices is the finishing of each of the four new rooms upstairs in a different kind of wood. This gives prospective home builders an opportunity to see the different finishes worked out. A service room for customers and contractors is being completely furnished with plans of homes and farm buildings. As a part of the equipment, samples of all kinds of building products, including paints and varnishes, are shown.

FOOD DRAFTS FOR EUROPE HANDLED HERE

Owing to the shortage of food in Central and Eastern Europe, and the inability in many instances to purchase food, even where money is available, the American Relief Administration, of which Herbert Hoover is chairman, has inaugurated the food draft.

The Newark Trust Company of this city has consented to handle the drafts for Newark. They make it possible for people having relatives or friends in the stricken sections of Europe whom they desire to help, to aid them by means of the food draft. The food draft may be purchased here and the money will be expended by the commission as designated in the purchase of the foods ordered. The circular sent out by the commission says: "We propose to sell in America orders upon warehouses established in European cities to carry stocks of staple foodstuffs, in the form of food drafts which can be transmitted to friends or relatives in Europe. We propose to charge the user of the draft the factory cost of the food, plus a reasonable margin to cover cost of transportation and insurance. Profits, if any accrue, will be turned over to the European Children's fund."

Only three men are listed as "missing in action" in the A. E. F. during the world war.

FOR RHEUMATISM AND BOWEL TROUBLE

Twenty-Five Cents Worth is Plenty. Try It! Take Harmless, Soothing Trex for Just 3 Days.

Why to Use Dry Lime-Sulfur

1—BECAUSE it will control San Jose Scale, Oyster Shell Bark Louse and the other scale insects; Apple Scab, Peach Leaf Curl and other fungus diseases; Pear Psylla, Leaf Blister Mite, Etc.

2—BECAUSE S-W Dry Lime-Sulfur is put up in neatly labeled airtight containers and is very cleanly and safe to handle, while on the other hand Lime-Sulfur Solution is disagreeable to use and very inconvenient to handle on account of the excessive weight.

3—BECAUSE S-W Dry Lime-Sulfur can be carried over safely without danger of freezing, since it is a powder.

Kill the Scale Before It Kills Your Trees

Spray in the early Spring, while the trees are dormant, with

**SHERWIN-WILLIAMS

IRON AGE

Effectiveness and Safety

SHERWIN-WILLIAMS Dry Powdered Arsenate of Lead contains from 30 to 33 per cent Arsenic Oxide thoroughly in combination with the lead. This means that it has maximum killing power, speedy action and unquestioned effectiveness in controlling leaf-eating and chewing insects.

It requires less than one-half of as much Dry Powdered Arsenate of Lead as 50 gallons of water as it does of the paste material to accomplish the same or better results. One pound or 1½ pounds of Sherwin-Williams Dry Powdered Arsenate of Lead to 50 gallons of water will control leaf-eating insects, where heretofore 2, 3 and 4 pounds of the paste material were required. It will be readily evident that this means ultimate economy to the grower and farmer.

Sound Fruit Brings Profit

You cannot afford to experiment with spray materials this year. Use one that has proven by years of use to be successful.

**SHERWIN-WILLIAMS
DRY ARSENATE OF LEAD**

Has been the standard of quality for years. It has maximum killing strength, yet no danger of burning and will insure you the big healthy fruit that you want. Ask us for literature and prices.
